# 32nd Annual Vegas Rules, Format, etc.

The governing rules of play are detailed in the 2011-2012 VNEA Rules Booklet and will be strictly adhered to along with the following:

## Team Format

The 25 game round robin format will be used in the Open 8-Ball team events. The 16 game round robin format will be used in the Women's 8-Ball team events. Each player will play each player from the opposing team once. The team with the most points at the end of the match will be declared the winner.

- All team events will be played using a Double Elimination format in the qualifying brackets. Finals brackets will be re-drawn with participants starting with no losses and will also be Double Elimination.
- Master and Intermediate team events will be using the Modified Round Robin format.

## Tie Breaker

If there is a tie in the total points, the teams will play the last round over as it stands on the scoresheet until a winner is decided. Flip for the first break and alternate thereafter.

## Singles Format (exception: Sports Singles)

All Singles events will be played using a Double Elimination format in the qualifying brackets. Finals brackets will be re-drawn with participants starting with no losses and will also be Double Elimination.

## Substitution Rule

A team may substitute players during a match if the following criteria are met:

The opposing team captain must be notified before the start of the round in which the substitution is being made.

A substitute player will not be allowed to play any opposing player more than once.

Once a player has played, he/she must keep that same position unless removed for a round and reinstated in a later round.

## Determining the Break

### Teams...

Team captains will flip a coin prior to making the line-up. The winner of the coin toss has a choice of being home or visiting team. The home team will complete their line-up first each round. The teams will then break in accordance with the scoresheet.

### Singles...

Flip a coin to determine the first break and alternate thereafter.

## Table Use

Teams will play on two tables at all times, until the 25th game (25 game format) or 16th game (16 game format). It will be the Tournament Director's discretion to play matches on more than 2 tables if time is a factor.

## Official Scoresheet

The Home Scoresheet is the official scoresheet and will be used to settle any disputes. Both captains are responsible for the accuracy of the Home scoresheet after each game.

## 8-On the Break

If the 8-Ball is pocketed on the break, the breaker may ask for a re-rack or have the 8-Ball spotted and continue shooting. If the breaker scratches while pocketing the 8-Ball on the break, the opposing player has the option of a re-rack or having the 8-Ball spotted before beginning to shoot.

## Rack Your Own Breaks

### Call Pocket

In Call Pocket, obvious balls and pockets do not have to be indicated. It is the opponent's right to ask which ball and pocket if he is unsure of the shot. Banks and combinations are not considered obvious and both the object ball and pocket must be called. When calling the shot, it is NEVER necessary to indicate details such as the number of cushions, banks, kisses, caroms, etc. Any balls pocketed on a foul remain pocketed, regardless of whether they belong to the shooter or the opponent. If a shooter continually refuses to inform his opponent, even when asked, the captains or tournament officials should be informed. Continuous failure to verbally call the pocket can be ruled unsportsmanlike conduct.

## Calling the 8-Ball

Calling of the 8-Ball must be by the disc method in the following manner:

## Disc Placement

The disc must be completely within the first two diamonds on either side of the intended pocket. (A Referee will make a ruling if the disc position is protested)

It is not necessary to move or touch the disc if it is already at the intended pocket. If a player shoots at the 8-Ball and commits a legal shot and the 8-Ball is not pocketed, the game continues.

## Team Certificates

Team captains are responsible to have in their possession during all Team Tournament matches, their "Official Team Certificate".

## Safeties

A Safety can be played within the definition of a legal shot.

## Start of Match

All matches will start at their posted time if the assigned table is available. If a player/players is absent, the match must still begin and the absent player/players will have until the end of that round to show up. If they are not there by the end of the round, the absent person/persons will lose that game 10-0. This rule is the same for all the rounds.

## Played Wrong Player

In the event that wrong people have played or are playing each other, the following procedure will be followed:

- If the game is completed, that score will be forwarded to the proper place that they are scheduled to play. That score will not count until it falls into the proper place.

- If the game is not completed, the captains will get the proper people to the table and restart the game.

- If a game is played between the same opponents for a second time during the match, the score of the second time does not count as long as the scoresheet is filled out properly prior to the round beginning.

It is both team captain's responsibility to ensure that the proper players are playing each game before the round starts. Therefore, if the visiting captain listed a player to play the same home player a second time, the score will be 10-0 for the home team.

- Scoresheets may be filled out round by round.

## End of Match

A match is considered over when a team can no longer mathematically win.

## Forfeits

### Team...

If no team members are available within 15 minutes after their posted match time, the team will be forfeited. Tournament Committee will decide forfeits.

However, in the event that enough team members, but less than the full team, are available when the match is called, then those present must begin shooting.

### Singles...

Players are responsible to be at their table at their posted match time. If your opponent is absent, report to the Referee in your section and go back to your table and opponent will receive one recall before being forfeited. If the table is not available, you must report to the control desk.

## Protest Procedure

In the event a person or team wishes to protest a player's or a team's eligibility, the protesting team or person will be required to deposit \$100 with tournament officials. If protesters are correct in their protest, they will be refunded their deposit and the tournament officials will take proper measures in dealing with the situation. If protesters are incorrect in their protest, they will forfeit their deposit. Deposits will go into the general funds of the VNEA.

## Classics & Seniors

Entrants in the 8-Ball Classics or Seniors Singles cannot play in any other 8-Ball singles and entrants in the 9-Ball Classics or Seniors Singles cannot play in any other 9-Ball Singles.

Seniors can play in either Classics or Seniors - **not both**.

Listed Master & Intermediate Classic or Senior players are ineligible for Regular, Classic or Senior events. However, a Classic Division is available for them in addition to their Singles events.

### Classics: (age as of event day)

Age: Men - 50 yrs. old minimum  
Women - 45 yrs. old minimum

### Seniors: (age as of event day)

Age: Men & Women - 60 yrs. old minimum

## Scoring

If a game ends without a group of balls being legally determined, the winner receives ten points and the opponent receives zero points.
