President's Report by Dave Everett Bell Music - Copley, OH

Dave is the League Coordinator for **Bell Music** in Copley, Ohio and has been a member of VNEA since the early days. He also plays a pivotal role on the Tournament Committee for VNEA's Annual World Championships in Las Vegas.

It's hard to believe we just finished up our 46th VNEA World Championships and our 36th VNEA Junior Championships.

I want to thank everyone who was involved in making this happen. It's a lot of preparation and teamwork behind the scenes. I would also like to thank all the players who participated in these two events. Congratulations to all the Champions.

Hoping everyone is having a great Summer! In just a few short weeks, all the leagues will start back. Please invite your friends to join you on your league nights and share with them the fun of the VNEA Leagues.

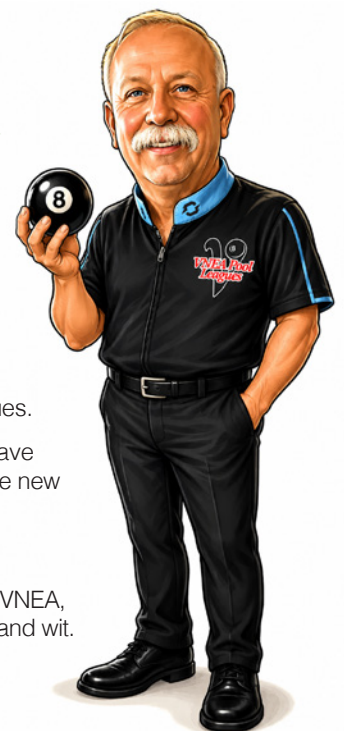

If you have been to the Worlds, please let everyone know how exciting it was and invite them out. If you have never been there, you need to make plans to come out. Our new Executive Director, Mike Wiltse, has some new and exciting things all cooked up for next year, and you won't want to miss it!

With the new CSR divisions, you can build a team to compete with your peers.

I want to thank our past Executive Director, Gregg Elliott. He has dedicated the past 38 years to building the VNEA, and he has done an amazing job! Working with him side by side, I know I will miss him and his vast wisdom and wit.

Let's all wish him a Happy Retirement!

Enjoy the rest of the Summer, and I hope to see you in Vegas! *Your Prez!*

The Doctor's In...

Tom “Dr. Cue” Rossman

The Doctor has been entertaining VNEA players for over 30 years and is one of the most knowledgeable instructors in the business. Tom is also known for his amazing trick shot artistry and hilarious shows around the country.

The VNEA events for 2026 are “in the bank” so to speak! The Vegas experience in May documented 3 magnetic “artistic enhanced” amateur events and the Nebraska experience in July documented 3 divisions of competitive spirit for the juniors. Each player, regardless of the final result on paper, exhibited an obvious “heart of a champion” reflection of what the “game and life” is all about.

After 5 decades of being around billiards in all its forms, I realize that “champions” of our sport possess select attributes that may be exhibited in a myriad of “heartfelt” and yet different ways. Many fans, players, media sources, and sponsors perceive a champion with “heart” as a person that gives their best effort and wins a game or match per a designated scoring system. It is about the “winning”, which is the GREAT pursuit.

The aforementioned type of champion normally displays high-level skills for executing each shot. In addition, a superior knowledge of game strategy is evident. This player is finely tuned in his or her mechanics, kicking / banking systems, mental stamina, and precise muscle memory conditioning via disciplined practice. A possession of focused confidence and “having what it takes” to play well emerges without fear or reservation of purpose.

Other champions may display a different type of “heart” as perceived by those watching.

This type of champion may not have a high winning percentage, but present a calmness of play and spirit that exhibits “success” in an entirely different manner. A gentle smile and peaceful demeanor for this individual reminds any opponent that whatever the final score may be, all is well – win or lose! The “heart” of this champion has a mighty resolve to “enjoy the roll” in the worst of times as well as the best! It is all about the “playing,” which is GREATER than the “winning on paper.” This type of “heart” realizes that there are so many things more important than a round sphere rolling across a cloth covered slate surface, and that there are some who can’t play at all for various reasons.

A third type of champion is one we seldom think about! The unique “heart” of this person does not have to win or play. He or she can experience the love of the game by sitting patiently in a chair watching the “colorful balls” continue their magnetic roll and hearing a sweet click as they bump into each other. Loving the game...from the “heart” is the GREATEST discovery for them over everything else.

During the Vegas and Nebraska VNEA events, I witnessed these various types of “champions” on numerous occasions that radiated “hearts” which perceived 1) every loss as a victory in disguise, 2) every miss as a make in disguise, and 3) every failure as a success in disguise. “Racking up a victory in one’s game and life,” echoed a simple mantra for a journey of joy both “on and off” the table – to share the beauty, promise, and vision of the special art form before them – forgoing personal gain and/or recognition.

Congratulations to each VNEA participant in the competitive events held to date. As your “game and life” challenges continue through the rest of 2026 and beyond, may each of you experience the champion “heart” within until next time when... **The Doctor's In!**

The Largest Junior Pool Tournament In The World!

Marriott Event Center - S. Sioux City, Nebraska • July 23-26, 2026

132 Acrylic “Charlie’s” Were Awarded!

A Celebration of VNEA’s Future!

The **Valley National 8-Ball League Association (VNEA)** brought the future of VNEA Pool Leagues to the newly remodeled Marriott Event Center in South Sioux City, Nebraska, for the **36th Annual VNEA International Junior Pool Championships!**

And What A Four Days It Was!

The tournament was truly “alive and well” as **392 junior players** competed for an incredible **132 coveted “Charlie” acrylic awards** across a wide variety of divisions and special events.

The spacious tournament arena featured **80 Beautiful Valley Tournament Pool Tables**, expertly set, leveled and maintained by **Midwest Pool Promotions**. The tables played flawlessly throughout the Championships, and the Midwest Pool Promotions crew, along with Host Operator **AE Leagues**, did an outstanding job with both setup and teardown.

VNEA’s Future Was on Full Display.

This incredible event continues to grow year after year, and 2026 was no exception. Players representing **25 Charter Holders from 13 States, Canada and New Zealand** made the trip to South Sioux City!

While the competition was fierce, the outstanding sportsmanship and friendly, festive atmosphere once again proved what makes this tournament so special. Everywhere you looked, junior players were competing, making new friends, supporting one another and simply enjoying the game of pool.

It was a four-day celebration of the future of VNEA – **and that future certainly looks bright!**

A Legend Returns for His 36th Straight Year.

Legendary instructor **Jerry Briesath**, one of the most respected pool instructors in the country, returned for an amazing **36th consecutive VNEA Junior International event**.

Throughout the weekend, Jerry worked with every junior player – and even a few adults – who sought his advice. His ability to work one-on-one with players, identify areas for improvement and communicate his knowledge of the game remains second to none.

“Dr. Cue” Brings Artistic Pool to the Juniors.

The always-entertaining **“Dr. Cue” Tom Rossman** kept the excitement rolling throughout the weekend with his popular **Special Artistic Challenges**.

Nearly everyone in attendance seemed to take a shot at the competition, with the top scorers advancing to the finals to compete for **World Titles, Acrylic V-Logos and Certificates**.

Tom’s enthusiasm, energy and love of the game once again made Artistic Pool an unforgettable part of the Junior Championships.

The Ginger Wizard Takes Over the Tournament Room!

The **World’s #1 Pool Entertainer, Dave “The Ginger Wizard” Pearson**, has developed an incredible relationship with our junior players – and that relationship is never more evident than when Dave walks into the tournament room!

From morning until night, Dave entertained, instructed and interacted with the kids, who simply couldn’t get enough of his humor, energy and teaching skills.

Dave also conducted the exciting, fast-paced **Speed Pool Qualifiers**, where players raced against the clock to see who could run a rack of nine balls in the fastest time. Champions were crowned in each of the three age divisions, setting the stage for the ultimate **“Battle of the Ages” in the E2P Challenge!**

The Speed Pool Finals were “electric” Friday evening as the two fastest times in each division battled for Championship Rings and the Overall Winner receiving a “blinged-out” Champion Gold Necklace!

SVB Was In The House!

World Champion and VNEA Pro Player Representative, Shane Van Boening was in attendance all weekend playing Challenge Matches with the kids, signing autographs and taking pictures. The kids constantly surrounded Shane’s table and watched in awe at this incredible pool skills. This is something that they will all remember forever.

Omega Billiards Steps Up Again

Michael Hoang and Omega Billiards once again stepped up in a big way as the **Major Sponsor of the VNEA Junior Championships**.

Omega generously donated the gift e-Certificates awarded throughout the event. This tremendous contribution added even more excitement and value for our junior players and champions.

Michael also attended the Championships personally and came away extremely impressed with the tournament, the players and the overall experience.

VNEA sincerely appreciates Omega Billiards' continued support and looks forward to building this partnership for many years to come!

The Control Stage Keeps Everything Moving.

An informative and professional **Tournament Control Stage** kept players and families updated with important information throughout the weekend.

Tournament Director Nils McConnell led the operation and expertly utilized the **CompuSport Program** to keep the Championships running smoothly.

Pennsylvania's **Melena Thompson** (Miele Group Co.) has also an integral part of Tournament Control, organizing the Mini-Tournaments, gathering player email information, providing Live Streaming and handling countless other responsibilities throughout the event.

Once again, the **CompuSport Software Program** performed flawlessly. The Championships remained completely **PAPERLESS**, allowing the tournament to run efficiently from beginning to end.

The 2026 Tournament Committee Staff included:

- Nils McConnell - Lincoln, NE
- Melena Thompson - Erie, PA
- Mike Wiltse, Brian Elliott & Meiling Wallaker - Bay City, MI

Three Age Divisions.

Singles and Team competition were divided into three age classifications:

Singles Competition.

The Singles Championships featured **273 Male entries and 110 Female entries**, bringing the total to an impressive **383 competitors**.

Players battled through a double-elimination format that produced outstanding pool, exciting finishes and, most importantly, tremendous sportsmanship throughout the divisions.

Team Competition.

The 2026 Team Championships featured **116 three-player squads**, representing **25 Charter Holders**.

With so many talented young players competing side-by-side for their teams and Charter Holders, the Team Championships once again provided some of the loudest, most exciting and memorable moments of the entire weekend.

From Across North America - and Beyond!

The geographic reach of the VNEA Junior Championships continues to demonstrate the strength of the program.

11th Annual "Top Cat" Challenge.

At 7:00 p.m. Friday, VNEA presented the **11th Annual All-Star Team "Top Cat" Challenge!**

The event featured the winners and runners-up from the three Male and three Female Regular Singles Divisions. These **12 outstanding players** were divided into **four, three-player All-Star Teams** and competed for special V-Logo Acrylics and the title of **TOP CATS!**

The Top Cat Challenge was once again one of the highlights of the week, giving these talented players some well-earned time in the spotlight.

Saturday's Team Opening Ceremonies

At exactly **8:30 a.m. Saturday**, VNEA officially welcomed the teams to the Team Championships while also recognizing the outstanding accomplishments of the Singles competitors.

VNEA Director of Marketing & Promotions **Brian Elliott** welcomed the players and their families and recognized the tremendous efforts of the Charter Holders, League Coordinators and parents who worked so hard to get their junior players qualified and transported to South Sioux City.

Special recognition was also given to the teams for the outstanding uniforms and classy appearance displayed throughout this year's tournament.

The Opening Ceremony began with the traditional **Parade of Flags**, featuring the states, provinces and countries represented at the Championships. Twenty-four junior players proudly served as flag bearers as the national anthems of the **United States, Canada and New Zealand** filled the arena.

The Singles Winners were then brought forward and presented with their well-deserved awards - the spectacular **"Charlie Cougar" acrylic statues**, which were once again one of the biggest hits of the weekend!

As cameras flashed across the tournament floor, the smiles and pride displayed by both players and parents told the story.

Special dignitaries were recognized, the day's schedule was announced, and anticipation continued to build for the start of Team competition.

Then came one of the great traditions of the VNEA Junior Championships...

The "Shot Heard Around the World!"

Every team took its position.

The countdown began... 3... 2... 1... BREAK!

In one unforgettable instant, every opening match began with a **simultaneous break shot**, filling the Marriott Event Center with the unmistakable sound of pool balls exploding across the tables.

And with that, the 2026 VNEA Junior Team Championships were officially underway!

Prizes, Prizes and More Prizes!

The VNEA Junior Championships have always been about much more than awards, but there certainly was no shortage of incredible prizes in 2026!

A total of **36 Pearson Cues** were awarded to the Top 4 finishers across the three Team Divisions.

Another **20 Cues**, compliments of **Valley**, along with **20 Omega Pool Cue Holders**, were presented to winners and runners-up in the competitive Mini-Tournaments.

Winners of the ever-popular **Junior/Junior Scotch Doubles** also received Cues and Charlies!

Onboard Sportswear Jackets were presented to each of our Main Event Winners.

And **Omega Billiards** topped it all off with its extremely generous and greatly appreciated **e-Certificates!**

Other Championship Highlights.

- An important and informative **Charter Holder/League Coordinator Meeting** was held Saturday morning, with 25 attendees sharing ideas, opinions and suggestions designed to keep the VNEA Junior Program moving in the right direction.
- The juniors and their families consumed an amazing **100 pizzas**, along with plenty of ice-cold water for lunch on Friday compliments of Steve Rau Billiards!

More Than a Pool Tournament.

When the final ball dropped and the last award was presented, the 2026 VNEA International Junior Pool Championships had once again proven to be about much more than wins and losses.

It was about competition and sportsmanship.

It was about friendships.

It was about families, Charter Holders, League Coordinators, sponsors, volunteers and supporters coming together for four unforgettable days.

Most importantly, it was about **392 young players who represent the future of VNEA Pool Leagues and the future of our sport.**

To everyone who played a part in making the **36th Annual VNEA International Junior Pool Championships** such a tremendous success...

THANK YOU!

And to all of our junior players and families...

VNEA Junior

SPOTLIGHT

(A BRIGHT FUTURE)

Shines A Light On: **Rylan Yoder**

Longtime VNEA Junior Player, Rylan Yoder, grew up playing pool in Nebraska and became one of the strongest and most admired competitors at our Annual International Junior Championships. Here's a little insight into Rylan's young life...

Q Tell us about your early life (which you're still in... lol) and what led you to the pool table?

A My earliest memory involving a pool was in Des Moines, IA, at a local pool hall called Big Dogs. I went there because my father was helping to run the tournament, and all I had to do was sit at the bar, watch TV, and drink Sprite. At that point, I had no interest in pool, even though at this event I was surrounded by legends of the game. It wasn't until my dad began running the junior leagues that I actually gave pool a shot. The first time I came to our junior program, I came reluctantly. I had no desire to play or do much of anything there, but as soon as I hit my first break, I fell in love.

Q When did you realize that you had a real talent for the game?

A There is so much tough competition in the Midwestern area, so it was always difficult to gauge my skill level in comparison to some of the monster players around. But I believe the first time I knew I could compete and not just play was when I was 15, and I placed high in a local event that had master players from all across Nebraska and Iowa competing in it.

Q Do you play other sports?

A I loved playing basketball! Sometimes I wish I had made that sport my life. But then I remember all the people and relationships I built by playing pool, and I would not have it any other way.

Q Tell us about your family and how they have helped shape your early pool successes?

A My family has sacrificed a lot for me to pursue pool. They consistently gave up our weekends, vacations, and other opportunities so I could go to events and compete. Without the sacrifices my family had to make for me to chase pool, I would not be the player or person I am today. I credit everything to my phenomenal parents.

Q How has pool changed your life?

A I have no idea who I would be without playing pool. It has shaped nearly everything about me and formed me into the person I am. It taught me respect, discipline, work ethic, self-control, and many other qualities from just playing the game. The other aspect of pool that has affected me greatly is communication. It has taught me how to hold, develop, and direct conversations. Pool has done a lot for me.

Q What was your first pool tournament title?

A My first tournament win was a mini tournament at our Great Plains event. It was a single elimination tournament, race to 2, and it was the last one of the event to be called. I had lost out of the main

JOHN 3:16

event and two other mini tournaments before I played in it, but I remember being so determined that I was not going to leave until I won something. Sure enough, that ended up being my first tournament win.

Q Tell us about your most fun memories at the VNEA Int'l Junior Championships?

A Although I have managed to place high and win several different events at the VNEA Junior National Tournament, my favorite memories have nothing to do with pool. My favorite memories have everything to do with the community. My favorite moments have been when I get to catch up with my friends from across the country and across the world; getting to talk to the VNEA tournament staff is always something I look forward to, and getting to mess around with some of the other players after the event is always fun. The VNEA Junior tournament will always have a special place in my heart, filled with many core memories.

Q What advice do you have for other young pool players just starting out in leagues?

A My advice to any young player starting is that they have to learn to love the game. You need to have heart if you want to compete. This game will make you hate it more times than not, which is why it is crucial that you love it at the core, so that in your losses, it inspires you to get back on the table and put more work in.

Q Your team “The Nebraska Cornshuckers” won the 2026 Major Team event this year. Tell us about your team, teammates and how you all got together?

A The Nebraska Cornshuckers. We are not just a team; we are genuinely family. We have shot together for years, competed with and against each other in very large events, and that truly builds bonds between us on the table. But aside from competing, we are best friends away from the pool table. Noah Ferry and Jamison Gall are two of my best friends. This was the first time that we shot together as a 3-person team, and we had every intention of winning the event because it was our last year of being able to play together.

Q What are your future plans?

A Unfortunately, I have decided to step away from pool for the time being. I am excited to go to college in pursuit of Vocational ministry, to be a youth pastor. I gave my life to Christ when I was a kid, but I began truly following Him not too long ago. When I began truly following Him, He changed my actions, He changed my thoughts, but he most importantly changed my heart. **I realized that He is the only thing that matters to me, and I want to spend my life sharing the way He changed my life, in hopes that other people can experience the love of Christ that is open to all people, regardless of where they are and what they have done.**

GOD BLESS.

2026 VNEA World Pool Championships!

Each year hundreds of thousands of players enjoy League night. The game they love... a night out with friends or their spouse... away from their regular work routine. I get to see thousands and thousands from January to May.

Then I get to enjoy, without argument, the "Greatest Event In Pool." Behind the scenes, months of planning were underway to make VNEA/VEGAS 2026 better than ever.

They disappointed no one! This year I arrived early with my wife and saw the intense work required to set everything up. The biggest names in pool were highlighted everywhere.

All this hard work creates an ambience and experience that other pool leagues cannot match. If you haven't had the chance to go to VNEA World's, book your ticket for next year. Truly a great experience.

Every day features tournament matches, professional coaching, crazy trickshots and a Pro Arena to help you improve your game, with the humility that VNEA Pro's offer.

There are some great people in the VNEA to make it a memorable experience. There are too many to include in one article, but I would personally like to thank everyone who helped me at the event. From the set-up crew, tournament organizers, and management for another successful event.

I get to see Jerry Briesath, 89, who still enjoys teaching. Also, Dr. Cue Tom Rossman, who is turning back the clock 30 years. His love for the game seemed reinvigorated this year.

A few more additions to the Pro Arena included Brian "Superman" Pauley. He was there every day to entertain the crowds. Well done, Brian. I won't see you in 30 years, I'm a little older than you.

Referees have a tough job, but they are there to help to the best of their ability.

Last but not least, players from all over the World. Congratulations to the winners and congratulations to the losers. It is a great event where everyone spends time with new friends and hopefully learns a few more things about their game.

Players attending for the first time will learn what hundreds of thousands already know - Vegas VNEA is the ultimate pool event to show you what league pool is all about. With all the extra features included!

Great event again guys! **See you next year.**

514 Charlie's 
Were Awarded!
(Named In Honor Of Chuck Milhem)

VNEA's "46th Annual" World Pool Championships!

The Best Pool Event In The World!

Players from 29 States, 6 Canadian Provinces, Australia, Bahamas, Bermuda, Finland, France, Italy, New Zealand, Portugal and Spain headed to the Westgate Resorts in Las Vegas for their chance to win a World Title in one of 93+ Divisions and take home one of the coveted "Charlie" Cougars.

The VNEA would hand out a record 514 Charlie Cougars to the talented Singles, Mixed Scotch Doubles and Team top finishers!

The annual event began on Wednesday with its Mini-Tournament competition while the popular, double-elimination Mixed Scotch Doubles events began on Thursday. 9-Ball and 8-Ball, double-elimination Singles competition began on Friday and Saturday, respectively. The competition was hard-fought throughout the entire Singles event, and for their efforts, the VNEA was well prepared to recognize them at the ever-popular VNEA Team Opening Ceremonies Celebration. Mike Wiltse, VNEA Executive Director, welcomed the nearly 3,000 players attending this incredible show which opened with a colorful parade of flags and then held the Singles Winners Presentation to honor the top players accomplishments.

The Annual Hall of Fame Ceremony inducted five new names to the list of 155 others in the prestigious "VNEA Hall of Fame." Receiving this tremendous honor, along with a beautiful Onboard Hall of Fame Jacket, Certificate and Limited Edition VNEA Hall of Fame Trading Card Set, were the following inductees:

- Gary Bascome - Bermuda International (Bermuda)
- James Brothers - Entertainment Experts (CO)
- David Benning - MG Services (SD)
- Jeff Maurer - C & N Entertainment (MN)
- Bryce Norman - D & R Star / AAA (MN)

Once the Singles, Mixed Scotch Doubles and Perfect Match Award winners had been recognized, the night kicked into high gear with DJ BRITLee pumpin' up the jams immediately packing the dance floor which lasted all night long! A great night for the players to relax before the team events.

The Team competition kicked off Tuesday morning in true VNEA fashion with an incredible simultaneous opening break, better known as the "Gary Benson" Shot Heard Around The World!

The VNEA's 46th Annual Championships All-Star Teams were also announced. Both the 1st and 2nd Team All-Stars received a stylish Onboard Sportswear All-Star Shirt. Each of the All-Stars including Honorable Mention received an All-Star Certificate.

VNEA President's Reception.

Charter Holders and Special Dignitaries were invited to the Annual President's Reception during the week in honor of VNEA President Judy Mehle from BMW Billiards in Loveland, Colorado.

The event drew nearly 100 attendees that were treated to complimentary hors d'oeuvres and cocktails in the famously elegant "Elvis Suite" atop the Westgate. As you entered the rooms, several tables were stocked full of VNEA "Silent Auction" items for the guests to bid on. And later in the evening, a beautiful, \$3,500 AMI Jukebox was raffled off to the guests compliments of Dave Courington and AMI Entertainment. The money raised from the Silent Auction and AMI Jukebox raffle goes to our ever-growing VNEA Junior Program. Thank you to everyone that participated.

Three **Lifetime Sanction Cards** were presented to long time VNEA contributors. The cards exemplify a lifetime of commitment to the VNEA and they were issued to **Shane Jorgensen** from ABQ Amusement in Albuquerque, NM; **Ron Kapperman** from BMW Billiards in Loveland, CO and **Marco Sanschagrin** from QVNEA in Quebec. Congratulations and thank you for your continued support.

Also highlighted at the reception was the presentation of the **2026 Warren Kelley Meritorious Service Award**. In memory of Warren Kelley, a great believer in the VNEA, this is the highest award given by the VNEA. VNEA Executive Director, Mike Wiltse, recognized long-time VNEA supporter Rod Stebelton from Stebelton Music & Vending in Lancaster, Ohio. Congratulations and thanks for all you do for our Association!

The **President's Choice Award**, presented by current VNEA President Judy Mehle, was awarded to longtime friend and past VNEA Executive Director, **Gregg Elliott**. Congratulations to Gregg!

13th Annual "World Team Championships".

The VNEA conducted the fun and exciting World Team Championships! Eight countries put together 4-person teams to represent their flag. USA, Canada, Bermuda, Finland, France, New Zealand, Portugal and Spain all formed teams for a chance to win the coveted "World Team" Championship Belt and have their country forever etched on the coveted World Cup. When the dust cleared, it came down to a repeat of last years final with Team Finland and Team U.S.A. competing for the title. In the end, it was TEAM U.S.A. capturing the "World Cup" title for the second consecutive year! Congratulations to all of the teams that participated in this great event.

Professional Pool Instructor **Mr. Jerry Briesath** was on hand throughout the week to give instruction and answer questions. Briesath, taking his Pool School on the road, is always a crowd favorite as he teaches his techniques in a very intimate setting which makes him very understandable and in tune with the players.

Tom "Dr. Cue" Rossman conducted his "Special Artistic" Challenges. This gave our players a chance to show off their skills with this new and unique competition. When the final playoffs were done, we had winners in Shootout #1 (during Singles) and Shootout #2 (during Teams). Congratulations are in order for all players that took the "Challenge". Those players capturing titles were as follows:

Open Shootout #1 (International):

1st - Jason Kane (BMW, NV) - \$150
2nd - Troy Jones (Kilmer Amusements, IN) - \$100
3rd - Tim Tonjum (D & R Star/AAA, MN) - \$50

Open Shootout #2 (World):

1st - Troy Jones (Kilmer Amusements, IN) - \$150
2nd - Val Franiel (Wal-Mac Amusements, AB) - \$100
3rd - Bill Hellner (BMW, NV) - \$50

Special Bank Pool Championship:

1st - Angelo Inness (Kevin Smith Amusements, PA) - \$110
2nd - Rick Tonjum (D & R Star/AAA, MN) - \$85
3rd - Tim Tonjum (D & R Star/AAA, MN) - \$55
4th - Chris Shingleton (4E Collective, WV) - \$30

The World's Top Pool Entertainer, **Dave "Ginger Wizard" Pearson** entertained the crowds with his high-paced and exciting pool shows that featured incredible trick shots and fun challenge matches. Dave also took time with the players to give valuable instruction including proper jumping technique. Dave is always a crowd favorite.

The All-New PRO ARENA!

The VNEA featured a New Valley Pro Cat table as the centerpiece of its inaugural PRO ARENA! Some of the best Professional Pool Players and Entertainers in the World performed special, scheduled shows daily throughout the event. Challenge Matches, Trick Shot Shows, Lessons, Photo Sessions, Autograph's and more were all available to our players!

Here's Was Our Incredible Pro Line-Up...

- "The South Dakota Kid" **Shane Van Boening**
- "The Freezer" **Scott Frost**
- Kelly "Kwikfire" **Fisher**
- Wei Wei "The Wave" **Tzu Chien**

- Brian "Superman" **Pauley**
- Tom "Dr. Cue" **Rossman**
- Jerry "Legendary Teacher" **Briesath**

Another very worthwhile event took place during the 46th Annual event - The VNEA **"Cues For Kids" Program**. Every one of our amazing Vendors generously donated items from their booths to be raffled off during the tournament with the proceeds going directly to the growing VNEA Junior Program. Thank you very much to the following companies that donated: *Clutch Shot Billiards, Cue Storage, Hustlin', Jacoby Cues, Omega Billiards, Onboard Sportswear, One Of A Kind Billiard Supply, Pearson Cues, Shaft Master Lathes, Side Pocket Apparel and Smash Billiards.*

The Team competition concluded in the early afternoon on May 30th. It was now time to start preparing for the highly anticipated 46th Annual VNEA Awards Banquet! When the doors opened at 4:45p, the players walked into an awesome ballroom setting which set the tone for the night!

As always, the players were treated to their pick of several beverage stations and were entertained by the 80's Disco Band - Wonder Boogie! Also, a delicious buffet style dinner was served to the party-goers. The atmosphere was magical with 1,300 players in attendance.

Once again serving as the emcee was VNEA's Director of Marketing & Promotions Brian Elliott. Brian made sure that each and every award winner received their accolades and with the brilliantly lit set, everyone who stepped on the stage knew that they were part of something special. He also acknowledged the remarkable Manufacturer/Supplier members that help support the growth of the VNEA World Championships by displaying their products during the tournament.

A player-friendly and popular segment at this years Banquet was several CASH GIVEAWAYS! Approximately every 15 minutes throughout the evening, Brian would call out a ticket number and reward that

lucky player with hundreds and sometimes thousands of dollars of CASH! The players were going crazy hoping for their final chance to “score” in Vegas and no one left the ballroom until the last drawing was called.

VNEA Executive Director, Mike Wiltse, also took to the stage to thank and recognize the incredible **Westgate Staff** for the amazing job that they did for our annual event. Mike also recognized the **2026 “Staff Of The Year” Award Winners**. This years recipients that received Certificates and Onboard Sportswear gear were:

Table Set-Up Person Of The Year: Rick Dooley (Prairie State Gaming - IL)

Referee Of The Year: Tom Comi, Jr. (Miele Group Company - PA)

Statistician Of The Year: Roxy Bohlen (Minnesota)

Sponsoring this years Championships were:

Valley, AMI Entertainment, Aramith, Fury, Jacoby Cues, Omega Billiards, Onboard Sportswear, Pearson Cues

On top of everything that the sponsors do for the tournament, nothing is more rewarding for the players than the Daily Raffles that take place on 6 different occasions. Beautiful ARAMITH Ball Sets & Case, Poolside Cabana's, Cues and more were raffled off to our tournament participants.

A major highlight of this years event were hundreds of Beautiful Tournament-Style Valley Tables that were praised by the players all week long. Midwest Pool Promotions, owned by long-time pool table Set-Up Extraordinaire, John Stich and his amazing crew perfectly set-up and maintained these special tables and enhanced their beauty with 300 New Aramith Ball Sets.

Valley also continued their enormous support of the Annual VNEA Championships by giving away beautiful Valley Home Pool Tables. The lucky winner receiving a table during the Opening Ceremonies Party was Jennifer Arbuckle from 4E Collective in West Virginia and the Awards Banquet table winner was Zach Wells from Diltz & Sons in Michigan.

Another successful event was in the books and all of us at the VNEA would like to thank every one of our players for their continued support and we promise the future of your Association is full of excitement and incredible energy!

SPOTLIGHT

(ARTISTIC POOL TOP TALENT)

Shines A Light On: **Brian “Superman” Pauley**

World Ranked Artistic Pool Player, Brian “Superman” Pauley joined the VNEA family this year entertaining the players at our 2026 World Championships. Here’s a little insight into Brian’s pool career...

Q Tell us about your early life and what led you to the pool table?

A I moved to Wilmington, Ohio when I was 9 years old. The house that my family moved to had an 8’ pool table. The people who owned the house before us previously owned a pool hall. When it went out of business, they put their best table in the house. That family told my dad that if he didn’t want the table, he needed to get it removed. Since my dad played some pool back in the army, he wanted the table to stay.

Q When did you realize that you had a real talent for the game?

A I noticed this when I was consistently winning while playing in an in-house league. When I beat the best player in that league, my teammate said “You have no idea what you just did.” *I started playing VNEA league shortly after and was almost always in the top 10 of most categories.* When I started practicing artistic pool, I found my true passion and that I was pretty good at it. After my first couple pro ranking tournaments, I knew that I could do this at a high level.

Q How has pool changed your life?

A Where do I start? I have been able to travel more than I ever thought I would. I have been able to experience some great things that I would never have been able to if it were not for pool. One way that pool has changed my life is getting the “celebrity treatment” from players and fans. I still feel very humble and grateful when people want my autograph or my picture. That leads me to the biggest and the coolest part that pool has changed my life, the people I have met. I am now friends with people I saw on TV and am one of their peers. I met so many players and enjoyed talking pool with them. Pool has definitely changed my life for the better.

Q When and Who dubbed you “Superman”?

A I got the nickname of “Superman” over 20 years ago. I was playing in a weekly pool tournament and I finished pretty high. I was wearing a Superman shirt that night. The next week, I wore another Superman shirt to see if it was my good luck charm. I played the week after and didn’t play as well, but I kept wearing the Superman shirt every week. There were people who knew me for about a year or so and had no idea what my first name was. I was always Superman and that is where the nickname came from.

Q What was your first title? And list any others...

A My first title in Artistic Pool was the 2017 Masters Special Arts Discipline Championship. Artistic pool has eight disciplines, similar to how Gymnastics has different events. Each of those disciplines have five shots with different degrees of difficulty. The player who scores the highest in that discipline wins that discipline title for the event. I beat out the late Curtis Robertson aka “The Redneck Cue Guy.” I have since won five more discipline titles.

BRIAN'S BIGGEST TITLES

- 2025 Masters Trick & Fancy Champion
- 2022 & 2023 National Draw Champion
- 2023 National Bank / Kick Champion
- **2019 WORLD DRAW CHAMPION**
- 2017 Special Arts Discipline Champion
- 2015 Rising Star Award

Q Tell us about your proudest moments and successes as an Instructor / Entertainer / Player.

A There are many but I will highlight a few. As an instructor, my proudest moments are when people come back later in an event and tell me that what I taught them helped in a match. That happened a couple times at the 2026 VNEA World Pool Championships. After a draw lesson a player came back and told me that he won a match and made it to the money because he was able to draw for position a number of times. I also had a player at the same event flag me down and show me a jump shot he made to win a match after getting a jump lesson the day before. As an entertainer, my proudest moments are when people come up to me after my shows and say that they enjoyed them. I once had a guy come up to me after a show and say that it was the first time he saw his friend smile in a long time since his friend was going through a lot of life stuff and nothing seemed to go his way. His friend was able to not worry about life for a bit and just be entertained. As a player, I have a few. My first World Discipline title in Draw is very special to me. It was the first time I could say "World Champion" of anything associated with my name. I had a stretch of winning back to back National Draw titles with a 39 out of 40 and a perfect 40 out of 40 respectively. At my latest event, I won the Masters Trick and Fancy discipline title. The reason I include it in my proudest moments is who I beat to win it, Florian "Venom" Kohler. Florian is one of the best to do it and to get a win over him in any aspect of artistic pool is a big deal.

Q You attended the 2026 VNEA World Pool Championships in May for the first time and helped teach our players. What were your biggest takeaways from the event?

A The focus on the player experience was a big take away. The amount of opportunities for the players was great and of course, the ever coveted "Charlies." The Opening Ceremony was really cool to see. It gives a player the opportunity to stand with their nation's flag while their nation's national anthem plays. I was told by a number of players that this event is their favorite Vegas pool league event as compared to other league championships. It's more laid back and they just have a better time.

Q What advice do you have for young pool players just starting out in leagues?

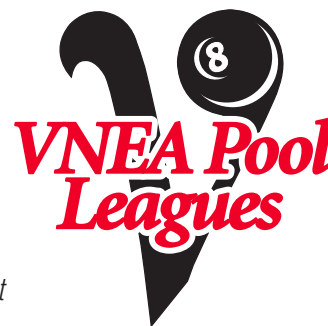

A First off, have fun playing. It's supposed to be fun. Next, keep at it. You can't get better at something if you stop doing it. Take it one step at a time. There will be days that you play great and days that you won't. Don't get frustrated. I would also look into professional instruction if you have the opportunity, if you are serious about getting better. If playing league is just for fun, then that is perfectly fine as well.

Q You're a Top Artistic Pool Player in the World. How many events do you do a year?

A It depends on the year, but most of the time we have 3 events a year.

Q Please add anything that isn't included above that you would like to share.

A I have been playing VNEA league for 15 plus years and I am truly honored to be a part of the VNEA family. I have a YouTube Channel where I have a series called "Superman's Trickshot Tuesday." Each Tuesday of the month is a different theme. The channel is named Superman Trickshots. I would love for the VNEA players to check it out. I took some time off this Summer to care for my mom after surgery, but I am starting the series back in September!

All players want to get better and have more table runs. Without a doubt these are the best drills to show you what you can achieve. The drills build the confidence and consistency needed to reach a higher level.

DRILL 1

Start by making the first ball in the corner pocket leaving shape on the second ball. Make sure that you have the right angle to pocket the 3rd ball **so that you can leave the cue ball in the "finish zone"** for an easy game winning shot on the 8-ball.

**Do This 5X
In A Row!**

WARNING: THIS IS AN ADVANCED DRILL

DRILL 2 With ball in hand anywhere on the table, make all 8 balls.

- **YOU CANNOT BANK ANY BALLS**
- **YOU CANNOT HIT ANOTHER BALL**
- **YOU MUST MAKE THE BALLS IN ORDER (1-8)**

Focus On The Rules

What's Your Call?

Veteran VNEA Referee, **Fred Johnson**, creatively explains many common questions that frequently arise during VNEA League play. Fred is also a long-time working referee at our World Championships.

Snooker is breaking and makes 3 stripes and 2 solids on the break. Table is always open after the break. Snooker in taking his second shot pockets his called 15 ball, but in the process, pockets the 8-Ball early. Obviously, Carom wins the game and gets 10 points for the win. How many points does Snooker get? An argument can be made for three different choices (4 points for the stripes or 2 points for the solids or 0 points).

You Make The Call! Rule C., the very last sentence, provides that "The choice of group is determined only when a player legally pockets a called object ball after the break shot". Had Snooker scratched, he would not have established stripes as his group, since he didn't pocket a called ball **legally**. The table would have been open for Carom. If you look at the section on Handicapping and Scoring, it provides that each player gets one point for each of his/her group of balls which were pocketed. In this case, however, the group of balls was never established. Snooker never established that he had stripes or solids. Therefore, he does not get credit for either the stripes or solid balls that went down, and Snooker will get a zero (0). That same section makes it even easier with the language: *"If a game ends without a group of balls being legally determined, the winner receives ten points and the opponent receives zero points."*

The Call: It will be scored 10-0. Remember, if the group of balls is never determined, and the game is terminated (i.e. 8-Ball jumped off the table, etc.), the loser receives 0 points.

Two aspects are note worthy. First, the Rules online through the VNEA website will not have this information since the pertinent language is not in the 8-Ball Rules or the General Definition Rules, but rather is found in the Handicapping and Scoring section of the VNEA Pool Leagues Rulebook. Secondly, the VNEA publishes an Event Program for the World Pool Championships held in Las Vegas. It is available to all players and was distributed through out the tournament on the perimeter tables adjacent to the pool tables. Important information is found in the Event Program, and should be read. This years 2026 Event Program had the Vegas Rules, Format, etc. printed on page 4 which addressed this very issue among others.

VNEA Original **SPOTLIGHT** **(LEAGUE PIONEER)**

Shines A Light On: **Gene Urso**

When you talk about VNEA Legends, you have to put Gene Urso near the top of the list. He was a model Charter Holder whose involvement in our Association is something that should be emulated. Here's a little insight into Gene's storied life...

THE EARLY YEARS

Gene graduated high school and went directly into the military in 1966. After his service to his country, Gene wanted to become a barber. Unfortunately, there were no barber shops looking to hire. Fortunately, his Uncle asked him to invest \$3,000 with a local friend in Madison, Wisconsin, in an Amusement Company. Gene scraped up the cash and was very instrumental with his extremely lovable personality in running and maintaining a successful business. Eighteen years later, he bought out his partner and became the sole owner of Madison Coin Machine. After his son Tony graduated from college, he went to work with Gene. With the addition of Gene's wife, Nancy, who handled all the books, the family ran a growing and reputable coin route for decades.

POOL LEADERSHIP

Gene became president of WAMO, the Wisconsin Amusement Trade Association. Through this honor, Gene met Chuck Milhem, President of Valley, who introduced him to the VNEA.

Gene then went to visit Dick Hawkins of D&R Star, who was an original founder of the VNEA. Dick showed Gene just how valuable running a pool league could be to the success of his company.

VNEA INVOLVEMENT

After running leagues for several years, staying involved, and volunteering every chance he could, Gene ultimately became president of both the AMOA and the VNEA.

Gene was also instrumental, along with his lifelong friend Roger Rasmussen, in hiring VNEA's first Executive Director, R. Gregg Elliott. In 1988, Roger piloted Gene and Dick Hawkins to meet Chuck Milhem at Valley in Bay City, Michigan, to interview Gregg, who ultimately served as Executive Director for the following four decades.

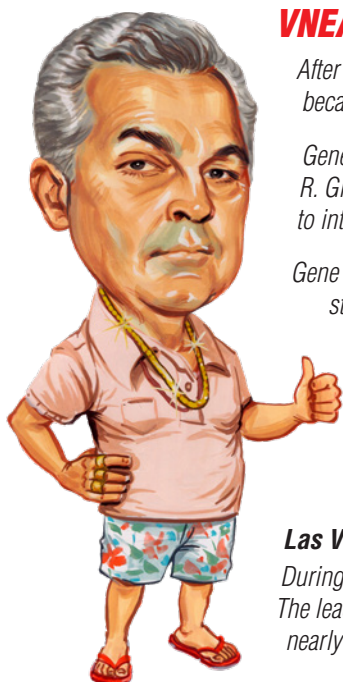

Gene absolutely loved the caliber of the VNEA Charter Holders and was a key factor in helping many new Charters get started. He quickly became one of the "Mt. Rushmore's" of VNEA history.

As mentioned earlier, Gene worked his way through many VNEA committees and ultimately became VNEA President in 1993.

Gene recalled several exciting and notable moments during his time with the VNEA. Here are a couple of examples:

Las Vegas Worlds at the Hacienda Hotel & Casino

During the popular outdoor Opening Ceremonies, the hotel's sprinklers suddenly began spraying water everywhere. The leaders calmly continued the event, and after the initial shock, the players embraced the unexpected cool-down in the nearly 100-degree temperatures.

Gene's Best Advice:

TO NEW CHARTER HOLDERS:

Contact older, powerful, good League Operators for some incredibly important personal and business nuggets to save time from errors as they are more than eager to help.

Pictured: MCM's Iconic Jukebox Logo

VNEA Educational Workshop

At a Workshop in Bay City, Michigan, during the pre-dinner Cocktail Hour, Gene set his sights on the pool surrounding the venue. He noticed a small floating golf green that participants were attempting to hit to win prizes. After a bit of coaching and a huge amount of internal decision making, Gene stripped down to his colorful undies, jumped into the water, and swam out to the green. Upon safely making it onto the green, he surprised everyone by deciding to moon everyone within eyesight, drawing a huge amount of laughter.

That little piece of VNEA history would forever become known as **"Urso's Island."**

Junior Pool Players

World-renowned Billiard Instructor, Jerry Briesath, is based in Madison, Wisconsin. Gene took full advantage of that proximity. He started a junior pool program and, with his ambition, foresight, and Jerry's teachings, produced a number of National Junior Champions who went on to become All-Stars at the adult level in the VNEA Vegas World Championships.

NOTABLES...

Gene has been a non-drinker his entire life, but he does love a few Coca-Colas.

He loves spending time with his grand kids - or at least talking about them when he can't visit them.

He is known for his bright, colorful, and always well-dressed attire. As Gene says, Nancy still lays out his clothes every morning.

ACCOMPLISHMENTS, ADVICE & LIFE TODAY

Through his many accolades, accomplishments and awards, Gene cherishes most of all his Warren Kelley Meritorious Service Award, presented to him by the VNEA in 1993. Gene made it very clear to his wife, Nancy, on their wedding day that he would make all the big decisions - and, as a true Sicilian, the last big decision he made was, "I do." His favorite and most commonly used saying is, "On the darn thing."

His best advice to New Charters is to contact older, powerful, and successful league Operators for incredibly important personal and business nuggets that can save them time and prevent errors, as they are more than eager to help.

Currently, Gene is nearing his 93rd birthday and still has tons of energy. He golfs twice a week, goes to the gym four times a week, and meets with his pals at least twice weekly to stay up to date on whatever is important to them. He remains the youngest at heart, always ready to share a joke or two that is sure to entertain.

Gene spends two months of the year in N. Reddington Beach, Florida, and the other ten months at his home of more than half a century in Madison, Wisconsin.

Long Live **"Urso's Island!"**

CSR Rating System: **What Is It?**

- The CSR system assigns a numerical rating to players based on their performance in league and tournament matches that use the CompuSport software.
- The rating is between 1000 (Beginner) and 2200. (Professional)
- Each CSR has an accuracy of the rating (Between 1 and 5 stars, the higher the better)

How Is A New Player Rated?

- When a player starts, their CSR is calculated using the CSR of their opponents combined with their performance in those matches. As they continue to play, their CSR adjusts automatically to reflect their ongoing results, becoming more accurate over time.
- Each week, a formula is used on each game result to determine points to add or remove to each player's CSR. The formula uses the accuracy of each rating, the odds to win, and the results of the game. (Win or lose, flawless game)
- For each game, the current rating (and accuracy) of each player is used to determine the odds of winning. The higher your odds of winning, the less impact the win will have on the rating.

- **All Players CSR's will be FROZEN as of March 15th** to determine what Level they will participate in.
- **We will be using the Highest CSR between the dates of December 1st, 2026 through March 15th, 2027.**

Charter Holders Please Merge Your Players

The VNEA offers numerous **LEVELS** at the World Championships in Las Vegas so all of your league players have the option of participating and competing at the annual extravaganza.

The VNEA takes very seriously the entrants in each LEVEL by implementing computer audits to detect individuals that are incorrectly entered.

However, due to name changes, incorrect spellings, human error and other factors the system is not always 100% fool proof.

Therefore, the Tournament Committee is hereby notifying all Charter Holders that the VNEA will still strongly monitor all entrants but it is the ultimate responsibility of the Charter Holder, prior to submitting entries, to be sure all of their players are entered into the proper LEVELS.

Charter Holders found to have entered players in improper LEVELS will be punished in accordance with the World Championships Policies & Procedures.

Thank you very much for your cooperation in this matter so that we will continue to provide the fairest, most equitable, competitive annual event for our sanctioned league players.

The VNEA Tournament Committee has the right to bump up players based on "known ability."

We are conducting the **"14th Annual VNEA World Team Championship"** this year during our VNEA Championships.

This exciting event will match "top players" from every country represented at our tournament. Teams will compete against each other in a 1-Day "Battle Royale"! The winning country will claim the coveted **World Cup** and **NEW Championship Belt** and be proclaimed **VNEA WORLD CHAMPIONS** for the entire year!

Each team will consist of (4) players from their home country and it will be a single-elimination format.

Make your plans to be in **"THE OMEGA"** Finals Arena (Monday, May 31st) to support your country in this "fan-friendly" and "fun-filled" event.

Vegas Rules, Format, etc.

The governing rules of play are detailed in the 2026-2027 VNEA Rules Booklet and will be strictly adhered to along with the following:

Team Format

The 25 game round robin format will be used in the Open 8-Ball team events. The 16 game round robin format will be used in the Women's 8-Ball team events. Each player will play each player from the opposing team once. The team with the most points at the end of the match will be declared the winner.

- All National, Entertainment & Amateur Level Team events will be played using a Double Elimination format in the qualifying brackets. Finals brackets will be re-drawn with participants starting with no losses and will also be Double Elimination.

- **The Sports Division will be Double Elimination and will consist of 5-Person Open Teams (25 Game Format) and 4-Person Women's Teams (16 Game Format).**

- **The Redemption Division will be Single Elimination and will consist of 4-Person Open Teams (16 Game Format) and 3-Person Women's Teams (9 Game Format).**

- For Sports & Redemption Teams, all players MUST be listed on the **Original "Official Team Roster"**.

- Valley Level Team events will be using the **Triple Elimination** format. The Finals will be **Double Elimination**.

Tie Breaker

If there is a tie in the Total Points at the end of the match, proceed as follows until a winner is decided...

- Play last round again, with the same match-ups, on the scoresheet.
- Each Team will begin with zero points.
- Flip for first break and alternate thereafter.

Singles Format

(exception: Redemption Divisions)

All Singles events will be played using a Double Elimination format in the qualifying brackets. Finals brackets will be re-drawn with participants starting with no losses and will also be Double Elimination. **See pg. 14 for all Levels Races.**

Substitution Rule

A team may substitute players during a match if the following criteria are met:

The opposing team captain must be notified before the start of the round in which the substitution is being made.

A substitute player will not be allowed to play any opposing player more than once.

Once a player has played, he/she must keep that same position unless removed for a round and reinstated in a later round.

Determining the Break

Teams...

Team captains will flip a coin prior to making the line-up. The winner of the coin toss has a choice of being home or visiting team. The home team will complete their line-up first each round. The teams will then break in accordance with the scoresheet.

Singles...

Flip a coin to determine the first break and alternate thereafter.

Table Use

Teams will play on two tables at all times, until the 25th game (25 game format) or 16th game (16 game format). It will be the Tournament Director's discretion to play matches on more than 2 tables if time is a factor.

Digital Scoresheet Rules

When recording the official match data on CompuSport, teams are required to follow these exact electronic scorekeeping protocols:

Home Team Responsibility: Unless both captains mutually agree to an alternative arrangement, *the designated Home Team bears the primary responsibility* for entering all match scores into the app.

Single Device Entry: To prevent data syncing conflicts, *only one designated team member* should actively input scores for the match. Multiple players must not attempt to log scores simultaneously on different personal devices.

The Approval Process: After the final game concludes and the scoresheet is filled out completely, it must be electronically sent to the opposing team for formal approval.

Handling Errors: If the opposing team spots an error, they must *reject the scoresheet* and use the built-in app notes section to explicitly detail what needs correcting. If they hit approve, the scoresheet is permanently locked in and assumed correct.

Devices Are Not Allowed For Jump Shots

8-On the Break

If the 8-Ball is pocketed on the break, the breaker may ask for a re-rack or have the 8-Ball spotted and continue shooting. If the breaker scratches while pocketing the 8-Ball on the break, the opposing player has the option of a re-rack or having the 8-Ball spotted before beginning to shoot.

Rack Your Own Breaks

(Various Rack Devices will NOT be allowed)

Call Pocket

In Call Pocket, obvious balls and pockets do not have to be indicated. It is the opponent's right to ask which ball and pocket if he is unsure of the shot. Banks and combinations are not considered obvious and both the object ball and pocket must be called. When calling the shot, it is NEVER necessary to indicate details such as the number of cushions, banks, kisses, caroms, etc. Any balls pocketed on a foul remain pocketed, regardless of whether they belong to the shooter or the opponent. If a shooter continually refuses to inform his opponent, even when asked, the captains or tournament officials should be informed. Continuous failure to verbally call the pocket can be ruled unsportsmanlike conduct.

Team Roster

The "Official Team Roster" are the players listed on the CompuSport Scoresheet.

Illegal Team Player

Any Team determined to have listed a Team Member on the Tournament Scoresheet, for any match that has begun, that is not listed on the "Official Team Roster" will be penalized as follows...

- *The Team will Forfeit any match in progress or any match completed before their next round begins and eliminated from any further Team competition.*
- *The Team will Forfeit any Prize Money.*

Safeties

A Safety can be played within the definition of a legal shot.

Start of Match

All matches will start at their posted time if the assigned table is available.

Once at the table, please scan the QR Code on the table to alert your opponent that you are at the table and ready to start the match.

If a player/players is absent, the match must still begin and the absent player/players will have until the end of that round to show up. If they are not there by the end of the round, the absent person/persons will lose that game 10-0. This rule is the same for all the rounds.

Played Wrong Player

In the event that wrong people have played or are playing each other, the following procedure will be followed:

- *If the game is completed, that score will be forwarded to the proper place that they are scheduled to play. That score will not count until it falls into the proper place.*
- *If the game is not completed, the captains will get the proper people to the table and restart the game.*
- *If a game is played between the same opponents for a second time during the match, the score of the second time does not count as long as the scoresheet is filled out properly prior to the round beginning.*

It is both team captain's responsibility to ensure that the proper players are playing each game before the round starts. Therefore, if one captain listed a player to play the same player a second time, the captains team who listed the wrong player will lose 10-0.

End of Match

A match is considered over when a team can no longer mathematically win.

Forfeits

Team... All Teams must be at their assigned tables at their assigned match time. If a Team is not at their assigned tables **5 minutes** after their posted start time, the opposing Team will call a referee to the table and the missing Team will be notified via CompuSport App and will have **10 minutes** to show up at the table. At the end of **10 minutes**, the Team who is present will recall the referee and the *match will be forfeited* if the missing Team is not present. In the event that enough team members, but less than the full team, are available when the match is called, then those present must begin shooting. **If the table is not available, you must report to the control desk.**

Singles... All players must be at their assigned table at their assigned match time. If a player is not at their assigned table **5 minutes** after their posted start time, the opponent will call a referee to the table and the missing player will be notified via CompuSport App and will have **10 minutes** to show up at the table. At the end of **10 minutes**, the player who is present will recall the referee and the *match will be forfeited* if the missing player is not present. **If the table is not available, you must report to the control desk.**

Protest Procedure

In the event a person or team wishes to protest a player's or a team's eligibility, the protesting team or person will be required to deposit \$100 with tournament officials. If protesters are correct in their protest, they will be refunded their deposit and the tournament officials will take proper measures in dealing with the situation. If protesters are incorrect in their protest, they will forfeit their deposit. Deposits will go towards the VNEA Junior Program.

Classics & Seniors

Entrants in the 8-Ball Classics or Seniors Singles cannot play in any other 8-Ball singles and entrants in the 9-Ball Classics or Seniors Singles cannot play in any other 9-Ball Singles.

Seniors can play in either Classics or Seniors - **not both**.

WESTGATE PARKING PAVILION (FREE BEER, POP & CHIPS)

TEAM OPENING CEREMONIES is one of the most anticipated parties of the event! On the Monday before Teams begin, the VNEA throws a party to recognize the previous weeks Singles Champions and the upcoming Team competition. 3,000 excited pool players rock the parking lot of Westgate Resort & Casino and celebrate and relax before another big week of play. The evening starts with our traditional **PARADE OF FLAGS** where each country in attendance marches to the stage for the playing of their national anthems. This is followed by the **SINGLES & MIXED SCOTCH DOUBLES AWARDS PRESENTATIONS**. Once all of the Charlie's have been announced for the evening, the annual **HALL OF FAME INDUCTEES** are introduced. Shortly thereafter, the evening's entertainment kicks into high gear when our Professional D.J. spins the songs that are sure to pack the dance floor! Our players will enjoy the time together with their teammates and making many new friends in the process. What a wonderful tradition for the VNEA and its players!

Certified Instructor & Re-Certified Instructor Seminar

This seminar was created to educate players on developing their own skills in order to use these teaching techniques to further promote the game of pool in their local area by instructing beginners and lesser skilled players as well as upper level shooters.

Certified Referee & Re-Certified Referee School

This school teaches players the proper way to conduct themselves as a referee at the local, regional and state levels. Many tested and true officiating techniques are shared with the members of this class.
