Team Format

Teams will consist of three playing members who have competed in at least 6 junior league matches with the same Charter Holder. The 9 game round robin format will be used in the 8-ball team events. Each player will play each player from the opposing team once. The team with the most points at the end of the match will be declared the winner.

All divisions will be of the double elimination format with the finals bracket participants starting with zero losses subject to change based on entries.

The Sports & Redemption Divisions will be Single Elimination.

Tie Breaker

If there is a tie in the Total Points at the end of the match, proceed as follows until a winner is decided...

- Play last round again, with the same match-ups, on the scoresheet/computer.
- Each Team will begin with zero points.
- Flip for first break and alternate thereafter.

Singles Format

Race - 4 games/winners and losers

The Sports & Redemption Divisions will be Single Elimination subject to change based on entries.

All players must have competed in a minimum of 6 junior league matches. The double elimination format will be used.

Substitution Rule

A team may substitute players during a match if the following criteria are met:

- The opposing team captain must be notified before the start of the round in which the substitution is being made.
- A substitute player will not be allowed to play any opposing player more than once.
- Once a player has played, he/she must keep that same position unless removed for a round and reinstated in a later round.

Determining the Break

Team: Team captains will flip a coin prior to making the line-up. The winner of the coin toss has a chance of being home or visiting team. The home team will complete their line-up first each round. The teams will then break in accordance with the scoresheet.

Singles: Flip a coin to determine the first break and alternate thereafter.

Official Scoresheet

The Home Scoresheet is the official scoresheet and will be used to settle any disputes. Both captains are responsible for the accuracy of the Home scoresheet after each game.

8-On-The-Break

If the 8-ball is pocketed on the break, the breaker may ask for a rerack or have the 8-ball spotted and continue shooting. If the breaker scratches while pocketing the 8-ball on the break, the opposing player has the option of a rerack or having the 8-ball spotted before beginning to shoot.

Rack Your Own Breaks

- Various Rack Devices will **NOT** be allowed.

Devices Are Not Allowed For Jump Shots

Call Pocket

In Call Pocket, obvious balls and pockets do not have to be indicated. It is the opponent's right to ask which ball and pocket if he/she is unsure of the shot. Banks and combinations are not considered obvious and both the object ball and the pocket must be called. When calling the shot, it is NEVER necessary to indicate details such as the number of cushions, banks, kisses, caroms, etc. Any balls pocketed on a foul remain pocketed, regardless of whether they belong to the shooter or the opponent. If a shooter continually refuses to inform his opponent, even when asked, the captains or tournament officials should be informed. Continuous failure to verbally call the pocket can be ruled unsportsmanlike conduct.

Calling the 8-Ball

Calling of the 8-ball must be by the disc method in the following manner:

Disc Placement...

The disc must be completely within the first two diamonds on either side of the intended pocket. (A Referee will make a ruling if the position is protested.)

It is not necessary to move or touch the disc if it is already at the intended pocket. If a player shoots at the 8-ball and commits a legal shot and the 8-ball is not pocketed, the game continues.

Team Roster

The "Official Team Roster" are the players listed on the Scoresheet/Computer.

Illegal Team Player

Any Team determined to have listed a Team Member on the Tournament Scoresheet, for any match that has begun, that is not listed on the "Official Team Roster" will be penalized as follows...

- The Team will Forfeit any match in progress or any match completed before their next round begins and eliminated from any further Team competition.
- The Team will Forfeit any Prizes.

Safeties

A Safety can be played within the definition of a legal shot.

Start of Match

All matches will start at their posted time if the assigned table is available. If a player/players is absent, the match must still begin and the absent player/players will have until the end of that round to show up. If they are not there by the end of the round, the absent person/persons will lose that game 10-0. This rule is the same for all the rounds.

Played Wrong Player

In the event that wrong people have played or are playing each other, the following procedure will be followed:

- If the game is completed, that score will be forwarded to the proper place that they are scheduled to play. That score will not count until it falls into the proper place.
- If the game is not completed, the captains will get the proper people to the table and restart the game.
- If a game is played between the same opponents for a second time during the match, the score of the second time does not count as long as the scoresheet is filled out properly prior to the round beginning.
- It is both team captain's responsibility to ensure that the proper players are playing each game before the round starts. Therefore, if one captain listed a player to play the same player a second time, the captains team who listed the wrong player will lose 10-0.

End of Match

A match is considered over when a team can no longer mathematically win.

Forfeits

Team & Singles...

Be sure to read and be aware of the Forfeit Procedures that are posted in the Tournament Room.

Scoring

If a game ends without a group of balls being legally determined, the winner receives ten points and the opponent receives zero points.

Junior League players who have played in the VNEA World Championships in Las Vegas will not be eligible to compete in the 35th Anniversary Int'l Junior Pool Championships.

Tournament Referees will be used and decisions will be final.

TEAM UNIFORM AWARD COMPETITION

VNEA PROFESSIONALS

INSTRUCTION, TRICK SHOTS, ENTERTAINING SHOWS

JERRY BRIESATH has long been considered the very best Billiards Instructor in the business. His decades of experience make Jerry one of the most sought after teachers in our sport today. Jerry has also recently released a “3 DVD Set” which contains 4.5 hours of priceless pool lessons which he shares with our players each and every year at the Vegas AND Junior Pool Championships. Jerry has spent countless hours at our events teaching our players everything from the proper stance and stroke to the “diamond system”. He loves to teach and it shows by the smiling faces that surround his table. And his “one-on-one” teaching approach has proven to be his trademark as players get that special attention and hands-on training that pool requires. Jerry has always said, *“Come see me and let me help you improve your game”*.

TOM “DR. CUE” ROSSMAN is a World Renown “Artistic Pool” Champion. Tom introduced “Artistic Pool” to the VNEA nearly 30 years ago and has been entertaining and challenging our players ever since. Tom is also a staple at both our Vegas and Junior Championships and brings an incredible amount of excitement and FUN to the game of pool by adding his own “comedic flair” to everything he does! Tom’s sense of humor is legendary and he includes it in whatever he does from teaching to trick shots to challenge matches. Although Tom is known for his amazing trick shot artistry and hilarious shows, he is also one of the most knowledgeable instructors in the business with a pure grasp on the “diamond system” which he beautifully translates to our lucky players. You will never meet a nicer and more genuine man than Tom Rossman.

DAVE “GINGER WIZARD” PEARSON burst on to the American scene nearly 20 years ago when he brought his fast-paced game of “Speed Pool” to the VNEA and its players. A Master of Speed Pool, Dave holds several Guinness World Records for his rapid-paced racks! Dave played professionally in England prior to coming to the states and is truly one of the most remarkably skilled pool players in the world. He also is a huge sponsor of both our Vegas and Junior Championships and actually donates his own brand of cues (GW Cues) to both events making Dave one of the most generous professionals in our sport. When you see Dave at his booth in Las Vegas, be sure to go up and say hello. There are 3 things that you can be sure of... you will be greeted with a smile, you will learn something and you will walk away with a smile on your face!

SHANE VAN BOENING also known as “The South Dakota Kid”, re-joined the VNEA Family the 40th Anniversary Season as a Professional Tour Player proudly wearing the VNEA Logo on his Tournament shirts and spreading the word of the VNEA to the world! In Shane’s early pool career, he could be seen playing in the VNEA Junior Program and then eventually the VNEA Adult Program including the Vegas Championships. Shane has always supported the VNEA and is extremely eager to become an integral part of growing our ever-popular Junior Program. He truly understands that the kids are the future of our great sport. Shane will be attending and performing at both the Vegas and Junior Championships this year and he looks forward to meeting all of our players and sharing his knowledge and experiences with the VNEA World!
