CSR Rating System: What Is It?

- The CSR system assigns a numerical rating to players based on their performance in league and tournament matches that use the CompuSport software.
- The rating is between 1000 (Beginner) and 2200. (Professional)
- Each CSR has an accuracy of the rating (Between 1 and 5 stars, the higher the better)

How Is A New Player Rated?

- When a player starts, their CSR is calculated using the CSR of their opponents combined with their performance in those matches. As they continue to play, their CSR adjusts automatically to reflect their ongoing results, becoming more accurate over time.
- Each week, a formula is used on each game result to determine points to add or remove to each player's CSR. The formula uses the accuracy of each rating, the odds to win, and the results of the game. (Win or lose, flawless game)
- For each game, the current rating (and accuracy) of each player is used to determine the odds of winning. The higher your odds of winning, the less impact the win will have on the rating.

Frozen CSR...

- All Players CSR's will be FROZEN as of March 15th to determine what Level they will participate in.
- We will be using the Highest CSR between the dates of December 1st, 2026 through March 15th, 2027.
- If you don't have a Qualifying CSR as of March 15th, we will take your Qualified CSR as of May 1st, 2027.

Qualified CSR...

- Players must play a minimum of 12 separate league days to establish a Qualified CSR.

Women's 9-Ball Classic Will Be Divided Into Only 2 Levels...

- **Entertainment Level: 1551-1650** - **Amateur Level: Up to 1550**
(1651+ will be entered in the National or Valley Levels of the Main Event Singles)

Vegas Rules, Format, etc.

The governing rules of play are detailed in the 2026-2027 VNEA Rules Booklet and will be strictly adhered to along with the following:

Team Format

The 25 game round robin format will be used in the Open 8-Ball team events. The 16 game round robin format will be used in the Women's 8-Ball team events. Each player will play each player from the opposing team once. The team with the most points at the end of the match will be declared the winner.

- All National, Entertainment & Amateur Level Team events will be played using a Double Elimination format in the qualifying brackets. Finals brackets will be re-drawn with participants starting with no losses and will also be Double Elimination.

- **The Sports Division will be Double Elimination and will consist of 5-Person Open Teams (25 Game Format) and 4-Person Women's Teams (16 Game Format).**

- **The Redemption Division will be Single Elimination and will consist of 4-Person Open Teams (16 Game Format) and 3-Person Women's Teams (9 Game Format).**

- For Sports & Redemption Teams, all players MUST be listed on the **Original "Official Team Roster"**.

- Valley Level Team events will be using the **Triple Elimination** format. The Finals will be **Double Elimination**.

Tie Breaker

If there is a tie in the Total Points at the end of the match, proceed as follows until a winner is decided...

- *Play last round again, with the same match-ups, on the scoresheet.*
- *Each Team will begin with zero points.*
- *Flip for first break and alternate thereafter.*

Singles Format

(exception: Redemption Divisions)

All Singles events will be played using a Double Elimination format in the qualifying brackets. Finals brackets will be re-drawn with participants starting with no losses and will also be Double Elimination. **See pg. 14 for all Levels Races.**

Substitution Rule

A team may substitute players during a match if the following criteria are met:

The opposing team captain must be notified before the start of the round in which the substitution is being made.

A substitute player will not be allowed to play any opposing player more than once.

Once a player has played, he/she must keep that same position unless removed for a round and reinstated in a later round.

Determining the Break

Teams...

Team captains will flip a coin prior to making the line-up. The winner of the coin toss has a choice of being home or visiting team. The home team will complete their line-up first each round. The teams will then break in accordance with the scoresheet.

Singles...

Flip a coin to determine the first break and alternate thereafter.

Table Use

Teams will play on two tables at all times, until the 25th game (25 game format) or 16th game (16 game format). It will be the Tournament Director's discretion to play matches on more than 2 tables if time is a factor.

Digital Scoresheet Rules

When recording the official match data on CompuSport, teams are required to follow these exact electronic scorekeeping protocols:

Home Team Responsibility: Unless both captains mutually agree to an alternative arrangement, *the designated Home Team bears the primary responsibility* for entering all match scores into the app.

Single Device Entry: To prevent data syncing conflicts, *only one designated team member* should actively input scores for the match. Multiple players must not attempt to log scores simultaneously on different personal devices.

The Approval Process: After the final game concludes and the scoresheet is filled out completely, it must be electronically sent to the opposing team for formal approval.

Handling Errors: If the opposing team spots an error, they must *reject the scoresheet* and use the built-in app notes section to explicitly detail what needs correcting. If they hit approve, the scoresheet is permanently locked in and assumed correct.

Devices Are Not Allowed For Jump Shots

8-On the Break

If the 8-Ball is pocketed on the break, the breaker may ask for a re-rack or have the 8-Ball spotted and continue shooting. If the breaker scratches while pocketing the 8-Ball on the break, the opposing player has the option of a re-rack or having the 8-Ball spotted before beginning to shoot.

Rack Your Own Breaks

(Various Rack Devices will NOT be allowed)

Call Pocket

In Call Pocket, obvious balls and pockets do not have to be indicated. It is the opponent's right to ask which ball and pocket if he is unsure of the shot. Banks and combinations are not considered obvious and both the object ball and pocket must be called. When calling the shot, it is NEVER necessary to indicate details such as the number of cushions, banks, kisses, caroms, etc. Any balls pocketed on a foul remain pocketed, regardless of whether they belong to the shooter or the opponent. If a shooter continually refuses to inform his opponent, even when asked, the captains or tournament officials should be informed. Continuous failure to verbally call the pocket can be ruled unsportsmanlike conduct.

Team Roster

The "Official Team Roster" are the players listed on the CompuSport Scoresheet.

Illegal Team Player

Any Team determined to have listed a Team Member on the Tournament Scoresheet, for any match that has begun, that is not listed on the "Official Team Roster" will be penalized as follows...

- *The Team will Forfeit any match in progress or any match completed before their next round begins and eliminated from any further Team competition.*
- *The Team will Forfeit any Prize Money.*

Safeties

A Safety can be played within the definition of a legal shot.

Start of Match

All matches will start at their posted time if the assigned table is available.

Once at the table, please scan the QR Code on the table to alert your opponent that you are at the table and ready to start the match.

If a player/players is absent, the match must still begin and the absent player/players will have until the end of that round to show up. If they are not there by the end of the round, the absent person/persons will lose that game 10-0. This rule is the same for all the rounds.

Played Wrong Player

In the event that wrong people have played or are playing each other, the following procedure will be followed:

- *If the game is completed, that score will be forwarded to the proper place that they are scheduled to play. That score will not count until it falls into the proper place.*
- *If the game is not completed, the captains will get the proper people to the table and restart the game.*
- *If a game is played between the same opponents for a second time during the match, the score of the second time does not count as long as the scoresheet is filled out properly prior to the round beginning.*

It is both team captain's responsibility to ensure that the proper players are playing each game before the round starts. Therefore, if one captain listed a player to play the same player a second time, the captains team who listed the wrong player will lose 10-0.

End of Match

A match is considered over when a team can no longer mathematically win.

Forfeits

Team... All Teams must be at their assigned tables at their assigned match time. If a Team is not at their assigned tables **5 minutes** after their posted start time, the opposing Team will call a referee to the table and the missing Team will be notified via CompuSport App and will have **10 minutes** to show up at the table. At the end of **10 minutes**, the Team who is present will recall the referee and the *match will be forfeited* if the missing Team is not present. In the event that enough team members, but less than the full team, are available when the match is called, then those present must begin shooting. **If the table is not available, you must report to the control desk.**

Singles... All players must be at their assigned table at their assigned match time. If a player is not at their assigned table **5 minutes** after their posted start time, the opponent will call a referee to the table and the missing player will be notified via CompuSport App and will have **10 minutes** to show up at the table. At the end of **10 minutes**, the player who is present will recall the referee and the *match will be forfeited* if the missing player is not present. **If the table is not available, you must report to the control desk.**

Protest Procedure

In the event a person or team wishes to protest a player's or a team's eligibility, the protesting team or person will be required to deposit \$100 with tournament officials. If protesters are correct in their protest, they will be refunded their deposit and the tournament officials will take proper measures in dealing with the situation. If protesters are incorrect in their protest, they will forfeit their deposit. Deposits will go towards the VNEA Junior Program.

Classics & Seniors

Entrants in the 8-Ball Classics or Seniors Singles cannot play in any other 8-Ball singles and entrants in the 9-Ball Classics or Seniors Singles cannot play in any other 9-Ball Singles.

Seniors can play in either Classics or Seniors - **not both**.

**Age: Men - 55 years old minimum
Women - 50 years old minimum**

Seniors: (age as of event day)

Age: Men & Women - 65 years old minimum

Scoring

If a game ends without a group of balls being legally determined, the winner receives ten points and the opponent receives zero points.

WESTGATE PARKING PAVILION (FREE BEER, POP & CHIPS)

TEAM OPENING CEREMONIES is one of the most anticipated parties of the event! On the Monday before Teams begin, the VNEA throws a party to recognize the previous weeks Singles Champions and the upcoming Team competition. 3,000 excited pool players rock the parking lot of Westgate Resort & Casino and celebrate and relax before another big week of play. The evening starts with our traditional **PARADE OF FLAGS** where each country in attendance marches to the stage for the playing of their national anthems. This is followed by the **SINGLES & MIXED SCOTCH DOUBLES AWARDS PRESENTATIONS**. Once all of the Charlie's have been announced for the evening, the annual **HALL OF FAME INDUCTEES** are introduced. Shortly thereafter, the evening's entertainment kicks into high gear when our Professional D.J. spins the songs that are sure to pack the dance floor! Our players will enjoy the time together with their teammates and making many new friends in the process. What a wonderful tradition for the VNEA and its players!

2027 VNEA ALL-STAR INFORMATION

All individuals participating at this years Vegas Championships are eligible to earn points towards selection to the VNEA All-Star Team.

The Tournament will be broken down into four categories:

8-Ball Singles, 9-Ball Singles, Mixed Scotch Doubles & Team

The Tournament Committee will be selecting the elite few to be called "All-Stars" from all of the participants based on a performance criteria.

Smartphones have become a valuable tool in helping Referee's determine close hits at the local and regional levels the last few years. At this years World's, you might see many players using their devices as an alternative to calling a Referee if they have been using this method throughout the year at various Tournaments. The Official VNEA Tournament Referees will continue testing this option for future VNEA events worldwide.

Various "Rack Devices" will NOT be allowed. • DEVICES ARE NOT ALLOWED FOR JUMP SHOTS.

Scooters are an essential need for those with medical conditions. However, some participants have used scooters that are not needed medically and have caused issues throughout the Tournament area. If your player(s) require a scooter for medical purposes, please have them stop by the VNEA Booth at the Tournament Ballrooms entrance to acquire a Medical Card so they will have proper access throughout the event.
