Jerry Briesath

Long considered the very best Billiard Instructor in the business, Jerry has been helping VNEA players with their games since 1980. Jerry has attended every one of our VNEA World and Junior Championships helping thousands of players improve their strokes along the way.

Delivery Is Everything!

One of the best ways to work out your stroke or delivery is to place the cue ball on the spot and shoot different shots in the near side or far corner pockets.

The last thing you do on every shot before shooting is to stop at the cue ball, recheck the aim, and say, "Here Goes"!

Now, remember your opponent aims as straight as you and knows as much as you about the Game. So the only thing left to get an edge on your opponent is to consistently, shot after shot, move your cue smoothly back and accelerate through the cue ball directly across the spot 4 or 5 inches better than he or she.

Most mistakes, whether it's a missed shot or a missed position, have to do with improper delivery.

Remember, when you make the delivery more important than the trophy, you win more trophies.

Never stop working on your stroke.

CompuSport's Official Rating

The **CSR** is the official rating for billiard players on CompuSport. It's developed in partnership with National and State Associations, Event Managers and many Players to ensure the rating system is fair, accurate and reliable. It is updated every week and takes into account all games played in an official event managed on CompuSport.

Accurate & Reliable

The **CSR** is powered by **over a decade** of game history, with more than 17 million game results from games in almost 40,000 leagues and tournaments managed by CompuSport. It ensures accuracy, fairness and reliability in rating players.

9,000 Leagues 29,000 Tournaments 300,000 Players 17M Billiard Games

Evaluate Performance

The **CSR** allows players to evaluate their level of play and compare themselves to other players. They can access detailed results in the app on their performance and track their progress over time.

Prevent Cheating

The **CSR** provides a safeguard against cheating, as the rating cannot move rapidly over a few weeks. It helps ensure that all players are playing at their true skill level in a league/tournament.

Handicap System

League and Tournament Management Systems can be configured to automatically give a fair handicap based on the **CSR** of each player.

Available Now In The Player App

Players can now access the CSR directly from the CompuSport's Player App.

CSR Lookup You can easily search for any player's **CSR** rating in the app. With a basic plan, you can search by player name. **Premium** users can also filter results by location, event, operator and more.

Compare Premium users can evaluate their odds to win and compare their skill with any other player in the app to see the difference in their **CSR** over time, along with other stats like their average and win rate.

My CSR Details All pool players can see their own CSR and search for other players. Premium users will be able to analyze their own CSR with detailed graphs and break down how each game has impacted their CSR. Among other things, players will be able to see the variation of their T-CSR over time and even for each game played.

CSR vs T-CSR The **T-CSR** is a temporary rating that we assign to players on a weekly basis taking into account all the games played during this period in any event managed on CompuSport. Your official **CSR** represents the average of your **T-CSR** for the last 12 weeks that you have played at least one game.

To learn more about the CSR, please check our website at: https://csrate.com to find anyone's CSR#

The Doctor's In...

Tom "Dr. Cue" Rossman

The Doctor has been entertaining VNEA players for over 30 years and is one of the most knowledgeable instructors in the business. Tom is also known for his amazing trick shot artistry and hilarious shows around the country.

After over 50 years of teaching / mentoring at all levels, I have discovered three foundational core values to focus on that assure a player will reach the next level and beyond...

- a) Game "of" the Heart
- b) Game "in" the Mind
- c) Game "on and off" the Table

The order of addressing and understanding these is paramount to ultimate success. For decades I primarily honed in on the third game (c above). Then, I realized one's "best performance potential" was dependent on the peace, joy, and comfort of playing only after nagging "heart" matters are taken care of first. If a person "kicks the dog" (in a figurative sense) before playing, there will be a huge weight on a person, draining him or her of a free-flowing mental state, which converts to good free-will decisions both "on and off" the table.

Any agitation and/or personal disconnect with someone else interferes with the freedom of thinking clearly from shot to shot, rack to rack, and match to match. If this occurs before an important event, I encourage you to address the issue head on, forgiving and asking forgiveness without delay, even when doing so goes against one's own personal grain of understanding. A gentle hug or loving word to someone can go miles to "clear the playfield" and help you play better.

A stress-free and peaceful "heart / mind" duet allows a player to "play skillfully with a shout of joy" and produces amazing results, even when the paper score may say otherwise or shots go awry. Pool balls will continue to roll with beauty, vision, and promise – displaying their "artistic" colors and sounding their joyful "click"! Cushions will maintain their rebounding characteristics and gravity will undoubtedly "show up" to welcome a pocketed ball.

A focus on the joys of our game and life will lessen the disappointment of an errant shot or missed opportunity and will reflect: 1) misses as makes in disguise, 2) failures as successes in disguise, and 3) one's glass as being ¾ full, instead of ½ empty.

My dad lived to be 100+ and, for over half of his life, he told me a great principle to live by:

"It will come, and it will go" – Even when things seem out of control and/or the opposite of what a person may want, this too shall pass. Play with a "special victory" in your "heart" and you will experience better decisions both "on and off" the table – in everything that life can bring your way, until next time, when...

The Largest Junior Pool Tournament In The World!

Mayo Civic Center - Exhibit Hall Rochester, MN • July 17-20, 2025

VNEA Juniors Attend In Record Numbers!

The Valley National 8-Ball League Association (VNEA) brought the future of VNEA Pool Leagues to the Mayo Civic Center *Exhibit Hall* in Rochester, Minnesota! The 35th Anniversary International Junior Pool Championships were "alive and well" with 382 kids vying for a record "132 Acrylic Charlie's" in many unique divisions over the 4-day event. Eighty beautiful Valley Tournament Pool Tables were precisely set, leveled and cleaned in the spacious arena by Midwest Pool Promotions whose tables played flawlessly for the event. Their crew along with Host Operator D & R Star / AAA, did a terrific job with set-up and tear-down.

This incredible event continues to grow each and every year and this year we saw players come from 27 different Charter Holders from 13 States, Canada and New Zealand! The sportsmanship along with the friendly and festive atmosphere of this event is second to none! A weekend celebrating VNEA's future was on full display!

Jerry Briesath, the most respected Pool Instructor in the country appearing at his 35th straight Junior International Event, was also on hand and spent the weekend working with every junior (and some adults) player that sought his advice. Jerry's skill working one-on-one with his students is like nothing else in the business. When you leave a session with Jerry, you can guarantee that your game has just improved!

"Dr. Cue"Tom Rossman conducted "Special Artistic" Challenges non-stop throughout the weekend. Nearly everyone in attendance took part in the competition with the top scores competing in the Finals for World Titles and Certificates.

The World's #1 Pool Entertainer, Dave "The Ginger Wizard" Pearson has built an amazing relationship with our Junior players and it is never more evident than when Dave walks into the Tournament Room. Dave spends all day and night entertaining and teaching the kids and they just can't get enough of his humor and teaching skills. He also conducted the exciting and fast-paced Speed Pool qualifiers (who can run a rack of 15 balls in the fastest time). The goal was to crown Champions in each of the 3 Divisions and set up the "Battle of the Ages" in the E²P Challenge! Dave is a true ambassador for our Junior players.

Michael Hoang and Omega Billiards stepped up to the plate again this year to be the "Major Sponsor" for our Junior Championships. Omega graciously donated all of the Gift e-Certificate that we awarded at our event. This huge donation is greatly appreciated and we look forward to continuing our partnership with Omega for many future events. Michael also attended his first Junior Championships and was extremely impressed with his entire tournament experience!

Jeremiah Prigge from the local Family Fun Center also set up a booth and table for the kids.

An informative Control Stage kept the players updated with critical tournament information and was led by Tournament Director, Nils McConnell who professionally utilized the CompuSport Program throughout the weekend. Pennsylvania's Melena Thompson was also an intregal part of the stage duties as she organized the Mini's, gathered player e-mails, provided Live Streaming and so much more!

The CompuSport Software Program again worked flawlessly to allow our events to run smoothly. The event was once again PAPERLESS and ran like a well-oiled machine. The Tournament Committee Staff consisted of the following...

Nils McConnell - Lincoln, NE Melena Thompson - Erie, PA
Mike Wiltse - Bay City, MI Brian Elliott - Bay City, MI
Char Hanenkratt - OH Jackie Mason - OH
Rachel Hendricks & Dawn Orloff - D & R Star / AAA - MN

Both Singles and Team competition for the weekend were broken down into 3 divisions:

Youth - Ages 7-11; Minor - Ages 12-15; Major - Ages 16-20

Singles Competition...

Male Singles events recorded 262 entries while the Female Singles had 112 entries. In total, 374 shooters would square-off in a double elimination format that would lead to some great shooting and refreshing sportsmanship.

Team Competition...

The 2025 event had 113, 3-player squads. There were 27 total Charter Holders represented at the event which made for a very exciting and competitive Team Championships.

Geographic Representation...

States: Alaska, Colorado, Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, Nebraska, Ohio, Pennsylvania, South Dakota & Wyoming

International: Canada (Ontario & Manitoba) & New Zealand

Players Reception...

The players all enjoyed a well deserved break from the action by consuming 100 Homemade Pizza's and Ice Cold Soda's on Friday evening. Players were able to relax, practice or play in one of the (20) Mini-Tournaments that were conducted!

Top Cat Challenge...

At 7:00pm on Friday evening, the VNEA conducted the "11th Annual" All-Star Team "Top Cat" Challenge! This event consisted of the winners and runner-up's of the three male and three female Regular Singles Divisions. These twelve players would form (4), 3-player All-Star Teams and would play for new V-Logo Acrylics and the title of **Top Cat's!** This competition was a real highlight of the tournament and the players all enjoyed their well-earned time in the spotlight.

Team Opening Ceremonies...

Saturday morning at 8:30a sharp, the VNEA welcomed all the Teams and properly recognized all of our Singles Winners. As in years past, VNEA Director of Marketing & Promotions Brian Elliott welcomed the players and their family members to the team tournament. Brian also complimented the Charter Holders, parents and the junior players themselves for making a strong effort to get the kids qualified and transported to this years event. Brian thanked the junior teams for wearing terrific team uniforms this year and applauded the players for their classy attire. The Ceremony kicked-off with the annual "Parade of Flags" featuring all of the states, provinces and countries involved in the event. Twenty-four anxious youths participated as flag bearers in the procession and the U.S., Canada and New Zealand anthems were proudly played. Elliott then continued the ceremony by recognizing the 2025 Singles Winners and presented them with their well-deserved awards. This years awards were incredible "Charlie Cougar" acrylic statues that were, again, the hit of the weekend! As flash-bulbs lit up the arena floor, so did the player and parent smiles and pride. As many special dignitaries were recognized and the days schedule was read, you could feel the excitement in the room for the Team competition that was about to unfold. And unfold it did as the "Shot Heard Around The World" took place with every match starting with a countdown and "simultaneous breakshot"!

Prizes...

There were a total of 36 **Pearson Cues** given away to the Top 4 places in the 3 divisions of team. There were also another 20 **McDermott Cues** (compliments of Valley) and 20 Pool Cue Holders that were given to the winners and runners-up of the competitive mini-tournaments. Winners of the ever-popular Junior/Junior Scotch Doubles also received Cues and Charlies! **Onboard Sportswear** Jackets were also awarded to each of our main event winners and Onboard also contributed to 5/6th Girls finishers! **Omega Billiards** topped all the winners off with their extremely appreciated generous e-Certificates.

Other Special Notables...

- An important and informative Charter Holder/League Coordinator Meeting was held Saturday morning with 25 people offering opinions and suggestions to keep our program moving forward in the right direction.
- Sports and Redemption Divisions for both Singles and Teams allowed the players to play pool, non-stop, throughout the weekend.
- VNEA Certified Referee, Nils McConnell, conducted a comprehensive Certified Referee Class on Friday evening and was able to certify (9) New VNEA Referees!
- AMI raised over \$5,000 for the Junior Program at our Vegas Championships through a "Jukebox Raffle" at the annual President's Reception.

Dave Pearson

Dave is a huge supporter of both our Vegas and Junior Championships. He is also one of the most remarkably skilled pool players in the world and his generosity is unmatched in the business. Check out his products **PearsonCues.com**.

2025 World Junior Championships!

Boys and girls from South Dakota to New Zealand gathered to compete in the Largest Junior Pool Tournament In The World! The VNEA junior event brings together all the great things in the game of pool.

New players, new friendships, old friendships, just an exciting weekend of fun and tournament pool. There are professionals there to help all the players with their games, however, many don't need much help as they can already shoot the eye lashes off a fly.

Unbelievable comradery, exceptional talent and most importantly, too many smiling faces to count. Like every event there, the 2025 Junior Speed Pool Challenge was very competitive and fabulous!

There were a total of 186 entries trying to make it to the final 6. In the qualifiers, we used 9 balls and in the finals, we used the full 15 balls and played head to head on two tables.

The fastest time in the Youth Division was Dalton Nelson at 55.5 seconds. The second fastest time was Cash Te Hira-Carter with 59 seconds.

The fastest time in the Minor Division was Trey Vogelmeier with 31.37 seconds. The second fastest time was Bradley Thomas with 39.43 seconds.

The fastest time in the Major Division was Jamison Gall at 35 seconds. The second fastest time was teammate Rylan Yoder with 35.89 seconds.

The Final (6) were set for Saturday Finals.

First up was the Youth Final. Dalton USA v Cash NZ. Dalton, the smallest competitor with the lightning speed, against Cash playing in his first VNEA World event. This was back and forth and was a gripping match. In the end Cash pulled it out with a 2-1 win.

The Minor event featured Trey who had the fastest time in qualifying against Bradley Thomas. Both players were very nervous in this edgy contest and missed a few balls early on. But it was Bradley who advanced with a 2-0 victory in this all USA final.

The Majors.

Jamison Gall v Rylan Yoder. First time two players from the same team and two close friends off the table were paired up. They both had so much fun and Jamison won the all USA match with a comfortable 2-0 victory.

Waiting in the final ,Cash from New Zealand was waiting to see if he will be playing Jamison or Bradley. This was a tough ask for Bradley as Jamison's consistency was there for all the crowd to see. The consistency was what pulled Jamison through and he ran out a comfortable 2-0 match, still not losing a game in the finals.

New Zealand v USA... Cash v Jamison.

The crowd was noisy and each supporter was cheering their favorite player on. I think the nerves kicked in for Cash, and Jamison's consistency and experience won comfortably 2-0 in the end.

Jamison was crowned champion and a huge shout out to all the players who conducted themselves fabulously. Well done Jamison

Another great year with VNEA Pool!

Thousands of pool players have displayed their talents in VNEA Leagues throughout the U.S. and abroad since the inception of the VNEA in 1980. Our players are all very important.

However, not all of these players will ever join the ranks of **Shane VanBoening**, Fedor Gorst or Kelly Fisher. But, a handful of them possess an incomparable desire to accomplish goals that far exceed an average pool players expectations. For these extraordinary players, and also players with other special skills, the VNEA Hall of Fame was created in 1993. With 155 fine members already in place, the Hall promises to be a fraternity of honor and excellence.

If you believe that a player in your league system is deserving of being titled a Hall of Famer, we encourage you to complete this Official Ballot and return it to VNEA Headquarters by January 15th, 2026. Taking into consideration the comments on your ballots, the Awards Committee will choose the most deserving players for the Hall. Those who are chosen will be highlighted in a future issue of "8-Ball News & Views". Be sure to return "your nomination" TODAY!

Take This Opportunity To Nominate!

With nearly 100,000 league players in the VNEA, only 5 new members will forever be etched in our prestigious history books.

Please attach a Separate Sheet to list Nominee's qualifications!

VNEA's event began on Wednesday with its Mini-Tournament competition while the popular, double-elimination Scotch Doubles events began on Thursday. 9-Ball and 8-Ball, double-elimination Singles competition began on Friday and Saturday, respectively. The competition was hard-fought throughout the entire Singles event, and for their efforts, the VNEA was well prepared to recognize them at the ever-popular VNEA Team Opening Ceremonies Celebration. Mike Wiltse, VNEA Executive Director, welcomed the nearly 3,000 players attending this incredible show which opened with a colorful parade of flags and then held the Singles Winners Presentation to honor the top players accomplishments.

The Annual Hall of Fame Ceremony inducted five new names to the list of 150 others in the prestigious "VNEA Hall of Fame". Receiving this tremendous honor, along with a beautiful Onboard Hall of Fame Jacket, Certificate and Limited Edition VNEA Hall of Fame Trading Card Set, were the following inductees:

- Jerrod Frideres N.T.S. (NE), C & N Sales (MN), Green Amuse. (IA)
- Dave Leather Aactive Coin (Manitoba)
- Tony Piazza Entertainment Experts (CO)
- **John Stich** Midwest Pool Promotions (MN)
- Terry Young C.M. Distributors (KS)

Once the Singles, Scotch Doubles and Perfect Match Award winners had been recognized, the night kicked into high gear with DJ BRITLee pumpin' up the jams immediately packing the dance floor which lasted all night long! A great night for the players to relax before the team events.

The Team competition kicked off Tuesday morning in true VNEA fashion with an incredible "Simultaneous Opening Break" which will forever be known as the "Gary Benson" Shot Heard Around The World, in honor of our longtime Tournament Director and friend who passed away in 2019.

The "Hardluck Competition" also had some great play for teams that were unfortunately knocked out in the early rounds of the Tournament. The first place winners were:

VNEA President's Reception.

Charter Holders and Special Dignitaries were invited to the Annual President's Reception during the week in honor of VNEA President Judy Mehle from BMW Billiards in Loveland, Colorado.

The event drew nearly 100 attendees that were treated to complimentary hors d'oeuvres and cocktails. Also, there was the popular "Treasure Table" which was stocked full of great VNEA Merchandise including commemorative Jackets and Cuesticks, electronic devices and tons of V-logo'd items. These items were complimentary and randomly raffled to party goers throughout the night.

Later in the evening, a beautiful, \$3,500 AMI Jukebox was raffled off to the guests compliments of Dave Courington and AMI Entertainment. Every AMI Jukebox is crafted to stand out from the crowd, but the ATOM is a lightweight powerhouse weighing just 33 pounds, and sets a new standard for jukebox technology. Its compact size and portability make it the ideal music companion for any space, from cozy diners to lively bars or expansive entertainment venues.

The VNEA also made available a number of tables stocked full of VNEA "**Silent Auction**" items. The guests love bidding on these unique treasures and the VNEA Junior Program loves the generous donation. Thanks to everyone who participated.

Three **Lifetime Sanction Cards** were presented to long time VNEA contributors. The cards exemplify a lifetime of commitment to the VNEA and they were issued to Bernie Endres from Massé, Inc in New Zealand; Michael Hoang from Omega Billiards in Hurst, TX and Michael Karpanty from Westgate Resorts in Las Vegas, NV. VNEA's Administrative Assistant, Rhonda Wortley, was also recognized and all received a nice round of applause. Congratulations and thank you for your continued support.

Also highlighted at the reception was the presentation of the **2025 Warren Kelley Meritorious Service Award**. In memory of Warren Kelley, a great believer in the VNEA, this is the highest award given by the VNEA. VNEA Executive Director, Gregg Elliott, recognized long-time VNEA supporter Dave Pearson from Pearson Cues. Congratulations and thanks for all you do for our Association!

12th Annual "World Team Championships".

The VNEA conducted the fun and exciting **World Team Championships!** Nine countries put together 4-person teams to represent their flag. **USA**, **Canada**, **Bahamas**, **Bermuda**, **Finland**, **France**, **New Zealand**, **Portugal** and **Spain** all formed teams for a chance to win the coveted

"World Cup" Championship Belt and have their country forever etched on the coveted World Cup. When the dust cleared, it came down to Team Finland and Team U.S.A. in the finals with TEAM U.S.A. capturing the "World Cup" title! Congratulations to all of the teams that participated in this great event.

2025 World Team Champions "U.S.A."

The President's Choice Award, presented by current VNEA President Judy Mehle, was awarded to CompuSport. Nil Gaudet, Francis Coté & Sophie Rocheleau were all in attendance to accept the award. Not in attendance were Christian Lavallée and David Bouchard. Congratulations to this great group of people!

Professional Pool Instructor **Mr. Jerry Briesath** was on hand throughout the week to give instruction and answer questions. Briesath, taking his Pool School on the road, is always a crowd favorite as he teaches his techniques in a very intimate setting which makes him very understandable and in tune with the players.

Tom "Dr. Cue" Rossman conducted his "Special Artistic" Challenges. This gave our players a chance to show off their skills with this new and unique competition. When the final playoffs were done, we had winners in Shootout #1 (during Singles) and Shootout #2 (during Teams). Congratulations are in order for all players that took the "Challenge". Those players capturing titles were as follows:

Artistic/Bank Shootout (International):

1st - Doug Moor (Pioneer Vending, OH) - \$150 2nd - Jamie Martin (Wally's Amusement, IA) - \$100

Bank Pool Shootout (International):

1st - Tim Tonjum (D & R Star/AAA, MN) - \$110 2nd - Shawn Fitzsimmons (Warner Coin, PA) - \$85

Artistic/Bank/Lag Shootout (World):

1st - Doug Moor (Pioneer Vending, OH) - \$150 2nd - Tim Tonjum (D & R Star/AAA, MN) - \$100

The World's Top Pool Entertainer, **Dave "Ginger Wizard" Pearson** entertained the crowds with his high-paced and exciting pool shows that featured incredible trick shots and fun challenge matches. Dave also took time with the players to give valuable instruction including proper jumping technique. Dave is always a crowd favorite.

Another very worthwhile event took place during the 45th Anniversary event - The VNEA "Cues For Kids" Program. Every one of our amazing Vendors generously donated items from their booths to be raffled off during the tournament with the proceeds going directly to the growing VNEA Junior Program. Thank you very much to the following companies that donated: Connoisseur Of Custom Cues, Cue Storage, Hustlin', Jacoby Cues, LDZ Inc., Omega Billiards, Onboard Sportswear, One Of A Kind Billiard Supply, On-Site Stress Relief, Pearson Cues, Shaft Master Lathes, Side Pocket Apparel and Smash Billiards.

The Team competition concluded in the early afternoon on May 31st. It was now time to start preparing for the highly anticipated 45th Anniversary VNEA Awards Banquet! When the doors opened at 4:45p, the players walked into an awesome ballroom setting which set the tone for the night!

As always, the players were treated to their pick of several beverage stations and were entertained by a Blues Brothers Act and a Tribute To "The King" - ELVIS! Also, a delicious buffet style dinner was served to the party-goers. The atmosphere was magical with over 1,200 players in attendance.

Once again serving as the emcee was VNEA's Director of Marketing & Promotions Brian Elliott. Brian made sure that each and every award winner received their accolades and with the brilliantly lit set, everyone who stepped on the stage knew that they were part of something special. He also acknowledged the remarkable Manufacturer/Supplier members that help support the growth of the VNEA World Championships by displaying their products during the tournament.

A player-friendly and popular segment at this years Banquet was several CASH GIVEAWAYS! Approximately every 15 minutes throughout the evening, Brian would call out a ticket number and reward that lucky player with hundreds and sometimes thousands of dollars of CASH! The players were going crazy hoping for their final chance to "score" in Vegas and no one left the ballroom until the last drawing was called.

Mike Wiltse, VNEA Office Manager, took to the stage to thank and recognize the incredible **Westgate Staff** for the amazing job that they did for our annual event.

Mike also recognized the 2025 "Staff Of The Year" Award Winners. This years recipients that received Certificates and Onboard Sportswear gear were:

Table Set-Up Person Of The Year: Rick Dooley Referee Of The Year: Rich Seguin Statistician Of The Year: Naomi Thomsen

Sponsoring this years championships were:

Valley, AMI Entertainment, Aramith, Fury, Jacoby Cues, Omega Billiards, Onboard Sportswear, Pearson Cues.

On top of everything that the sponsors do for the tournament, nothing is more rewarding for the players than the Daily Raffles that take place on 6 different occasions. Beautiful ARAMITH Ball Sets & Case, Poolside Cabana's, Cues and more were raffled off to our tournament participants.

A major highlight of this years event were hundreds of Beautiful Tournament-Style Valley Tables that were praised by the players all week long. Midwest Pool Promotions, owned by long-time pool table Set-Up Extraordinaire, John Stich and his amazing crew perfectly set-up and maintained these special tables and enhanced their beauty with 300 brand new Aramith Ball Sets.

Valley also continued their enormous support of the Annual VNEA Championships by giving away beautiful Valley Home Pool Tables. The lucky winner receiving a table during the Opening Ceremonies Party was Pierre Whissell from New Crown Music in Sudbury, Ontario, Canada and the Awards Banquet table winner was Laura Byrd from Shaffer Entertainment in Columbus, Ohio.

Another successful event was in the books and all of us at the VNEA would like to thank every one of our players for their continued support and we promise the future of your Association is full of excitement and incredible energy!

Aramith Ball Sets were raffled off throughout the event!

Focus On The Rules

What's Your Call?

Veteran VNEA Referee, **Fred Johnson**, creatively explains many common questions that frequently arise during VNEA League play. Fred is also a long-time working referee at our World Championships.

This month we get two very similar situations; however, there are differences. Should the calls be different? Snooker and Carom, two old dogs at the pool game, are playing each other in league play. Carom is kicking at the 12-ball. Carom makes a good hit on the 12-ball; however, Carom accidentally moves the 4-ball with her stick. The 4-ball makes contact with the 9-ball and moves the 9-ball. The cue ball comes off the cushion and makes contact with the 9-ball. Snooker declares a foul. Carom fails to acknowledge the foul saying that the cue ball never struck the ball that she moved. You are the referee called to the table. **You Make The Call!** Obviously this involves the "Accidentally Moving A Ball" Rule, which provides as follows:

ACCIDENTALLY moving or touching any ball is not a foul unless: 1) the moved ball is the cue ball or 2) a moved ball makes contact with the cue ball or 3) a moved ball that is jumped off the table or pocketed or causes any ball to be jumped off the table or pocketed. (exception to #3: If the 8-ball is jumped off the table or pocketed it is loss of game if called by the opponent before the next shot is taken). Only opponent may replace the ball moved as closely as possible or leave it where it rests. If the shooter replaces the moved ball, it will be considered a foul.

So the question becomes: Is the 9-ball considered a "moved ball"? If so, it is a foul. If not, then it is not a foul. There is not any doubt that but for the 4-ball being moved, the cue ball would never had contacted the 9-ball. So the answer is YES, the 9-ball is considered to be a moved ball. Once the 4-ball was accidentally moved, any other balls that it moved became moved balls so that if the cue ball struck either the 4-ball or the 9-ball, there was going to be a foul.

BUT, what if the facts are as follows: Carom is kicking at the 12-ball. Carom makes a good hit on the 12-ball; however, Carom accidentally moves the 4-ball with her stick. The cue ball comes off the cushion and makes contact with the 9-ball, BUT the 9-ball was not moved. After the cue makes contact with the 9-ball, the 9-ball then strikes the moved 4-ball. There is an important distinction here. Previously, the 9-ball had been moved before the cue ball struck it. Now, the cue ball is striking another ball which was not moved. Only after being struck by the cue ball does the 9-ball make contact with a moved ball. This would NOT be a foul as the 9-ball was not a moved ball when struck by the cue ball. The fact that it hit the moved 4-ball later is immaterial.

CSR Rating System: What Is It?

- The CSR system assigns a numerical rating to players based on their performance in league and tournament matches that use the CompuSport software.
- The rating is between 1000 (Beginner) and 2200. (Professional)
- Each CSR has an accuracy of the rating (Between 1 and 5 stars, the higher the better)

How Is A New Player Rated?

- When a player starts, their CSR is calculated using the CSR of their opponents combined with their performance in those matches. As they continue to play, their CSR adjusts automatically to reflect their ongoing results, becoming more accurate over time.
- Each week, a formula is used on each game result to determine points to add or remove to each player's CSR. The formula uses the accuracy of each rating, the odds to win, and the results of the game. (Win or lose, flawless game)
- For each game, the current rating (and accuracy) of each player is used to determine the odds of winning. The higher your odds of winning, the less impact the win will have on the rating.
- To prevent manipulation, the CSR rating calculation is done so it cannot move rapidly over a few weeks. This means a player can't lose a bunch of games before a tournament to make the CSR lower.

Non-International & Canadian Players without a Qualified CSR...

- Women: will be assigned a 1651 CSR and will play in the National Level Singles
- Men: will be assigned an 1801 CSR and will play in the National Level Singles
- Classic/Senior Women: will be assigned a 1625 CSR and will play in the Entertainment Level Singles
- Classic/Senior Men: will be assigned a 1775 CSR and will play in the Entertainment Level Singles

International Players...

- All players must have a Qualified CSR.

Frozen CSR...

- All players CSR will be FROZEN as of April 14th to determine what Level they will participate in.
- 12 weeks of play must be completed by date of Frozen CSR to know what Level to enter at Registration Date.

Qualified CSR...

- Players must play a minimum of 12 separate league days to establish a Qualified CSR.

CHANGES...

Open & Women's Teams must be comprised of players from within their Charter Holder's League System (same C-H #). **Original league team players are no longer required.** You may now play with anyone within your Charter Holder's League System, however, your Team CSR Total will determine which Level you will participate in.

Classic / Senior Ages: Classic Women - 50; Classic Men - 55; Senior Men/Women: 65 (All ages are determined as of date of event start)

TOURNAMENT REMINDERS, CHANGES & NEW!

PLAYER/TEAM ADDITIONS & CHANGES:

"PRIOR" TO MAY 1ST, 2026...

Player Changes and/or Team Member Changes must be e-mailed to **info@vnea.com** and must include accurate player stats showing at least (12) separate league days of play. These new updates will be reviewed and the player/team will be placed in the proper skill level.

Any Additions or Changes after May 1st will include a \$25 Late Fee for each event.

Player Changes and/or Team Member Changes must be e-mailed to **info@vnea.com** and must include accurate player stats showing at least (12) separate league days of play.

Team Player changes must be rated equal to or less than the players they are replacing. If teams list more than (5) Open and (4) Women, the highest 5 or 4 players CSR's will be used to determine Level placement and will not change with player changes. Changes will not lower or raise the Level the Team entered in.

VNEA Headquarters will determine when they will no longer accept additions or changes. However, last minute Singles and Team changes may be made by the Charter Holder in Las Vegas at the posted dates and times, if applicable.

In addition to meeting VNEA's standard eligibility requirements, players must also comply with the following:

- All players must be entered with their highest known CSR at the time of Registration
 Frozen Date: This is the responsibility of the Charter Holder and any duplicate Profiles must be
 merged in order for the entry to be accepted. Accuracy of player abilities are dependent upon the proper
 submission and documentation from the Charter Holder.
- 2. Player ability assessment may be determined by the Tournament Committee by any of the following criteria:
 - a. Player Skill Rating (CSR)
 - b. Review of previous VNEA Tournament performances both locally and at World's.
 - c. Examination of overall Local League Ratings.
 - d. Known Ability

All decisions made by the Tournament Committee are final.

True 2nd Chance Events: (Sports & Redemption) With all players entering a Level with their Qualified CSR, the abilities should be comparable. Therefore, as the 2nd Chance events are created, they will be a true test of equitable Teams competing for cash, titles and prizes.

Charter Holders Read Carefully

The VNEA offers numerous **LEVELS** at the World Championships in Las Vegas so all of your league players have the option of participating and competing at the annual extravaganza.

The VNEA takes very seriously the entrants in each LEVEL by implementing computer audits to detect individuals that are incorrectly entered.

However, due to name changes, incorrect spellings, human error and other factors the system is not always 100% fool proof.

Therefore, the Tournament Committee is hereby notifying all Charter Holders that the VNEA will still strongly monitor all entrants but it is the ultimate responsibility of the Charter Holder, prior to submitting entries, to be sure all of their players are entered into the proper LEVELS.

Charter Holders found to have entered players in improper LEVELS will be punished in accordance with the World Championships Policies & Procedures.

Thank you very much for your cooperation in this matter so that we will continue to provide the fairest, most equitable, competitive annual event for our sanctioned league players.

We are conducting the "13th Annual VNEA World Team Championship" this year during our VNEA Championships.

This exciting event will match "top players" from every country represented at our tournament.

Teams will compete against each other in a 1-Day "Battle Royale"! The winning country will claim the coveted World Cup and NEW Championship Belt and be proclaimed VNEA WORLD CHAMPIONS for the entire year!

Each team will consist of (4) players from their home country and it will be a single-elimination format.

Make your plans to be in "THE OMEGA" Finals Arena (Monday, May 25th) to support your country in this "fan-friendly" and "fun-filled" event.

Previous World Team Champions:

2012 (Portugal); 2013 (Germany); 2014 (Australia); 2015 (Portugal); 2016 (Germany); 2017 (Germany); 2018 (Canada); 2019 (New Zealand); 2022 (USA); 2023 (Canada); 2024 (Canada); 2025 (USA)

- · Each Team will begin with zero points.
- Flip for first break and alternate thereafter.

Singles Format

(exception: Redemption Divisions)

All Singles events will be played using a Double Elimination format in the qualifying brackets. Finals brackets will be redrawn with participants starting with no losses and will also be Double Elimination. See pg. 14 for all Levels Races.

Substitution Rule

A team may substitute players during a match if the following criteria are met:

The opposing team captain must be notified before the start of the round in which the substitution is being made.

A substitute player will not be allowed to play any opposing player more than once.

Once a player has played, he/she must keep that same position unless removed for a round and reinstated in a later round.

Determining the Break

Teams..

Team captains will flip a coin prior to making the line-up. The winner of the coin toss has a choice of being home or visiting team. The home team will complete their line-up first each round. The teams will then break in accordance with the scoresheet.

Singles...

Flip a coin to determine the first break and alternate thereafter.

Table Use

Teams will play on two tables at all times, until the 25th game (25 game format) or 16th game (16 game format). It will be the Tournament Director's discretion to play matches on more than 2 tables if time is a factor

Official Scoresheet

The Home Scoresheet is the official scoresheet and will be used to settle any disputes. Both captains are responsible for the accuracy of the Home scoresheet after each game.

Devices Are Not Allowed For Jump Shots

8-On the Break

If the 8-Ball is pocketed on the break, the breaker may ask for a re-rack or have the 8-Ball spotted and continue shooting. If the breaker scratches while pocketing the 8-Ball on the break, the opposing player has the option of a re-rack or having the 8-Ball spotted before beginning to shoot.

Call Pocket

In Call Pocket, obvious balls and pockets do not have to be indicated. It is the opponent's right to ask which ball and pocket if he is unsure of the shot. Banks and combinations are not considered obvious and both the object ball and pocket must be called. When calling the shot, it is NEVER necessary to indicate details such as the number of cushions, banks, kisses, caroms, etc. Any balls pocketed on a foul remain pocketed, regardless of whether they belong to the shooter or the opponent. If a shooter continually refuses to inform his opponent, even when asked, the captains or tournament officials should be informed. Continuous failure to verbally call the pocket can be ruled unsportsmanlike conduct.

Team Roster

The "Official Team Roster" are the players listed on the scoresheet/computer.

Illegal Team Player

Any Team determined to have listed a Team Member on the Tournament Scoresheet, for any match that has begun, that is not listed on the "Official Team Roster" will be penalized as follows

- The Team will Forfeit any match in progress or any match completed before their next round begins and eliminated from any further Team competition.
- The Team will Forfeit any Prize Money.

Safeties

A Safety can be played within the definition of a legal shot.

Start of Match

All matches will start at their posted time if the assigned table is available

Once at the table, please scan the QR Code on the table to alert your opponent that you are at the table and ready to start the match.

If a player/players is absent, the match must still begin and the absent player/players will have until the end of that round to show up. If they are not there by the end of the round, the absent person/persons will lose that game 10-0. This rule is the same for all the rounds.

Played Wrong Player

In the event that wrong people have played or are playing each other, the following procedure will be followed:

- If the game is completed, that score will be forwarded to the proper place that they are scheduled to play. That score will not count until it falls into the proper place.
- If the game is not completed, the captains will get the proper people to the table and restart the game.
- If a game is played between the same opponents for a second time during the match, the score of the second time does not count as long as the scoresheet is filled out properly prior to the round beginning.

The governing rules of play are detailed in the 2025-2026 VNEA Rules Booklet and will be strictly adhered to along with the following:

It is both team captain's responsibility to ensure that the proper players are playing each game before the round starts. Therefore, if one captain listed a player to play the same player a second time, the captains team who listed the wrong player will lose 10-0.

End of Match

A match is considered over when a team can no longer mathematically win.

Forfeits

Team... All Teams must be at their assigned tables at their assigned match time. If a Team is not at their assigned tables **5 minutes** after their posted start time, the opposing Team will call a referee to the table and the missing Team will be notified via CompuSport App and will have **10 minutes** to show up at the table. At the end of **10 minutes**, the Team who is present will recall the referee and the *match will be forfeited* if the missing Team is not present. In the event that enough team members, but less than the full team, are available when the match is called, then those present must begin shooting. If the table is not available, you must report to the control desk.

Singles... All players must be at their assigned table at their assigned match time. If a player is not at their assigned table 5 minutes after their posted start time, the opponent will call a referee to the table and the missing player will be notified via CompuSport App and will have 10 minutes to show up at the table. At the end of 10 minutes, the player who is present will recall the referee and the match will be forfeited if the missing player is not present. If the table is not available, you must report to the control desk.

Protest Procedure

In the event a person or team wishes to protest a player's or a team's eligibility, the protesting team or person will be required to deposit \$100 with tournament officials. If protesters are correct in their protest, they will be retunded their deposit and the tournament officials will take proper measures in dealing with the situation. If protesters are incorrect in their protest, they will forfeit their deposit. Deposits will go into the general funds of the VNEA.

Certified Instructor Recertification Class

This class is for those individuals who passed the Certified Instructor Seminar and would like to remain an active Certified Instructor and update their knowledge and skills.

Certified Instructor Seminar

This seminar was created to educate players on developing their own skills in order to use these teaching techniques to further promote the game of pool in their local area by instructing beginners and lesser skilled players as well as upper level shooters.

Certified Referee & Re-Certified Referee School

This school teaches players the proper way to conduct themselves as a referee at the local, regional and state levels. Many tested and true officiating techniques are shared with the members of this class.

VNEA Professionals...

Instruction, Trick Shots, Entertaining Shows

JERRY BRIESATH has long been considered the very best Billiards Instructor in the business. His decades of experience make Jerry one of the most sought after teachers in our sport today. Jerry has also recently released a "3 DVD Set" which contains 4.5 hours of priceless pool lessons which he shares with our players each and every year at the Vegas AND Junior World Pool Championships. Jerry has spent countless hours at our events teaching our players everything from the proper stance and stroke to the "diamond system". He loves to teach and it shows by the smiling faces that surround his table. And his "one-on-one" teaching approach has proven to be his trademark as players get that special attention and hands-on training that pool requires. Jerry has always said, "Come see me and let me help you improve your game".

TOM "DR. CUE" ROSSMAN is a World Renown "Artistic Pool" Champion. Tom introduced "Artistic Pool" to the VNEA nearly 30 years ago and has been entertaining and challenging our players ever since. Tom is also a staple at both our Vegas and Junior Championships and brings an incredible amount of excitement and FUN to the game of pool by adding his own "comedic flair" to everything he does! Tom's sense of humor is legendary and he includes it in whatever he does from teaching to trick shots to challenge matches. Although Tom is known for his amazing trick shot artistry and hilarious shows, he is also one of the most knowledgable instructors in the business with a pure grasp on the "diamond system" which he beautifully translates to our lucky players. You will never meet a nicer and more genuine man than Tom Rossman.

DAVE "GINGER WIZARD" PEARSON burst on to the American scene nearly 30+ years ago when he brought his fast-paced game of "Speed Pool" to the VNEA and its players. A Master of Speed Pool, Dave holds several Guinness World Records for his rapid-paced racks! Dave played professionally in England prior to coming to the states and is truly one of the most remarkably skilled pool players in the world. He also is a huge sponsor of both our Vegas and Junior Championships and actually donates his own brand of cues (Pearson Cues) to both events making Dave one of the most generous professionals in our sport. When you see Dave at his booth in Las Vegas, be sure to go up and say hello. There are 3 things that you can be sure of... you will be greeted with a smile, you will learn something and you will walk away with a smile on your face!

SHANE VAN BOENING also known as "The South Dakota Kid", re-joined the VNEA Family the 40th Anniversary Season as a Professional Tour Player proudly wearing the VNEA Logo on his Tournament shirts and spreading the word of the VNEA to the world! In Shane's early pool career, he could be seen playing in the VNEA Junior Program and then eventually the VNEA Adult Program including the Vegas Championships. Shane has always supported the VNEA and is extremely eager to become an intregal part of growing our ever-popular Junior Program. He truly understands that the kids are the future of our great sport. Shane has been attending and performing at both the Vegas and Junior Championships and always looks forward to meeting all of our players and sharing his knowledge and experiences with the VNEA World!

WESTGATE PARKING PAVILION (FREE BEER, POP & CHIPS)

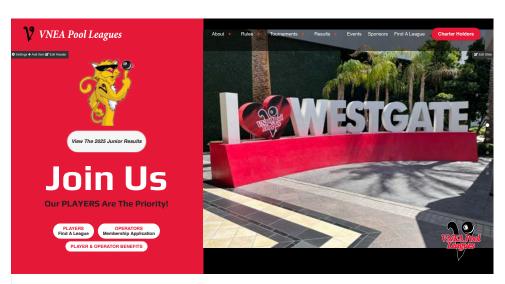

TEAM OPENING CEREMONIES is one of the most anticipated parties of the event! On the Monday before Teams begin, the VNEA throws a party to recognize the previous weeks Singles Champions and the upcoming Team competition. 3,000 excited pool players rock the parking lot of Westgate Resort & Casino and celebrate and relax before another big week of play. The evening starts with our traditional **PARADE OF FLAGS** where each country in attendance marches to the stage for the playing of their national anthems. This is followed by the **SINGLES & MIXED SCOTCH DOUBLES AWARDS PRESENTATIONS**. Once all of the Charlie's have been announced for the evening, the annual **HALL OF FAME INDUCTEES** are introduced. Shortly thereafter, the evening's entertainment kicks into high gear when our Professional D.J. spins the songs that are sure to pack the dance floor! Our players will enjoy the time together with their teammates and making many new friends in the process. What a wonderful tradition for the VNEA and its players!

The Official VNEA Tournament Referees will continue testing this option for future VNEA events worldwide.

Various "Rack Devices" will NOT be allowed. • DEVICES ARE NOT ALLOWED FOR JUMP SHOTS.

Scooters are an essential need for those with medical conditions. However, some participants have used scooters that are not needed medically and have caused issues throughout the Tournament area.
